

Glendale 2nd District Report

August 8, 2009

New 2nd District Alderperson

I want to take a moment to introduce myself. My name is Brian Rice and I am your newly appointed 2nd District Alderperson, serving out the duration of Alderperson Joe Colacino's term. I am looking forward to the opportunity to working for you and the City of Glendale.

I am a father of three and have lived in Glendale for about six years. My wife and I moved to Glendale because of the school district and the excellent education system that our children would grow up in.

I am however, not new to the area. I grew up on the north side of Milwaukee near Teutonia and Silver Spring and later moved to Brown Deer when my wife and I married. I graduated from Dominican High School and received my Bachelors Degree from the University of Phoenix in Business Management.

My wife works as a volunteer at Parkway Elementary and has been a resident of Glendale for much of her life. I work for a cutting tool Manufacturer in Brookfield, Wisconsin as a Production Control Manager/Project Manager. I am certified in Six Sigma and lean manufacturing methodology.

I am humbled by this opportunity and will do my best to represent the residents of the 2nd District. Be assured that I will have at minimum, monthly

communications sent via e-mail and I will try and reach much of the 2nd District by visiting each one of the residents in person over the next several weeks.

I am committed to keeping all of the residents of the 2nd District informed about all of the key City business that may affect them. I understand that I work for you and I also understand that it is my job to represent your concerns on the Common Council.

I look forward to meeting with all of you and representing the City of Glendale and the 2nd District.

Regards,

Brian Rice
Glendale Alderperson 2nd District
