BACKGROUND/ANALYSIS:

I wish to note that most of the changes have been “housekeeping” in nature, relating to knowing the final hearing dates, scheduling, and similar minor clarification. The significant finalization comes in the form of being able to finalize a defeasance timetable, and designation of the escrow agent and escrow terms. I would remind all the money is first paid in. It is refundable if DOR in some manner kills this project. The primary concern is that upon issuance of he equalized values, we do not satisfy the 12% test limiting the amount of valuation which we can include in a TID. I am confident that will not be a problem.

Once that test is satisfied the defeasance money is not returnable to the ownership. However, since we will still have our final approval hearings, if for some reason (I cannot imagine) we change our mind, we would have to return the money. Thereafter, it still takes time to transfer from the initial escrow to the final defeasance escrow. To assist bond counsel in preparing the escrows we have become more specific in the Development Agreement. Rather than just calling for the escrow and instructing them, we have spelled out the terms. The memo below is hopefully informative and illustrative.

Defease TID 8 Bonds Outstanding as of the Effective Date. The parties acknowledge that, as of the Effective Date, the following bonds are outstanding and secured by Tax Increment as well as
by the obligations incurred by previous owners of the Property to pay debt service under the Prior Agreement:

a. $2,480,000: 2012 Taxable general obligation bonds
b. $11,195,000: 2014 CDA lease revenue bonds
c. $12,070,000: 2015A CDA lease revenue bonds
d. $10,000,000: 2015B Taxable lease revenue bonds
e. $17,520,000: 2017 Taxable lease revenue bonds
f. For an estimated balance of $53,265,000 outstanding on the TID 8 bonds as of the Effective Date.

The parties also acknowledge that, as of the Effective Date, the City and the CDA have the following reserve and/or stabilization funds on hand to partially offset the balances due on the outstanding TID 8 bonds as described above:

a. $1,550,000 FNMA 3136G1320 11/27/19 (East Parking)
b. $1,500,000 FHLB 313381TY6 2/6/20
c. $1,000,000 FRMC 3134G35V8 3/13/20
d. $2,400,000 FHLB 3130ACU51 11/25/22
e. $2,300,000 Fed Farm Credit Bank 3133EHEJ8 1/3/20
f. $3,000,000 FRMC 3134GB656 12/29/22
g. For an estimated amount of funds on hand available to offset the balances due on the TID 8 bonds of $11,750,000.

The parties understand that outstanding obligations due with respect to the TID 8 bonds are a significant deterrent from attracting additional capital investment to the Property and the CDA Sites and obstacles to the redevelopment of the Property and the CDA Sites.

**RECOMMENDATION:**

Subject to the CDA and the City’s performance of all of their respective obligations as contemplated in this Agreement and contingent upon Developer refraining from exercising its right under Section I(6) above, Developer shall deposit into escrow with Associated Trust Company, National
Association, a national banking association with trust powers (the “Escrow Agent”) on the Effective Date, an aggregate amount equal to the amount reasonably calculated by Robert W. Baird & Co. on July 29, 2019 and confirmed by the Developer as necessary not later than July 31, 2019 to defease all of the TID 8 bonds listed above as of the Effective Date (the “Defeasance Deposit Amount”). As a condition to Developer making such deposit, the City and the CDA shall concurrently deliver to Developer an absolute, unconditional and immediately effective Certificate of Defeasance, in the form attached hereto as Exhibit M, with respect to each series of TID 8 bonds. Such amounts deposited by Developer in escrow with the Bank shall be subject to the terms of a preliminary deposit escrow agreement between Developer, the City, the CDA and the Escrow Agent substantially in the form attached hereto as Exhibit N. The preliminary deposit escrow agreement shall provide that, among other provisions, (a) deposited funds shall be deemed to fulfill any and all obligations of Developer to ensure that sufficient funds will be available as and when payments on the TID 8 bonds come due; (b) deposited funds shall be returned to Developer immediately upon Developer’s written request to the Escrow Agent if the contingency in Section I(6)(b) is not satisfied by August 16, 2019 or the contingency in Section I(6)(d) is not satisfied by September 1, 2019; (c) following deposit of the Defeasance Deposit Amount, the Developer will have fully satisfied any and all of Developer’s obligations under the Prior Agreement and with respect to the TID 8 bonds and in no event shall Developer (or its successors or assigns) have any additional or further liability therefor; (d) after satisfaction of the contingencies in Sections I(6)(b) and I(6)(d), deposited funds and any earnings thereon shall be disbursed into an irrevocable escrow for the sole purpose of defeasing the TID 8 bonds and the City and the CDA shall ensure that the TID 8 bonds are paid in full, and (e) the CDA and the City shall make up any shortfall between the Defeasance Deposit Amount and the actual amount necessary to defease all TID 8 bonds and the CDA and the City shall retain any excess of the Defeasance Deposit Amount not needed to defease the TID 8 bonds. The CDA and the City shall ensure full payment of all of the TID 8 bonds; the CDA and the City shall pay any insufficiency and shall recover any funds remaining in the irrevocable escrow after full repayment of the TID 8 bonds.

ACTION REQUESTED:

AMENDED AND RESTATED DEVELOPMENT AGREEMENT
FOR BAYSHORE TOWN CENTER

THIS AMENDED AND RESTATED DEVELOPMENT AGREEMENT FOR BAYSHORE TOWN CENTER (“Agreement”) is made by and among the City of Glendale Community Development Authority, a duly constituted community development authority under Wis. Stat. sec. 66.1335 (the “CDA”), the City of Glendale, a Wisconsin municipal corporation (the “City”) and Bayshore Shopping Center Property Owner LLC, a Delaware limited liability company (the “Developer”) as of the last date on which any of the parties execute and deliver the Agreement (the “Effective Date”).

WITNESSETH:

WHEREAS, the CDA and Developer’s predecessor in interest, Corrigan Holdings, Inc., a Nevada corporation (“Corrigan”) and a new owner created by Corrigan entered into a Development Agreement for Bayshore Mall as of June 14, 2004 to facilitate the preservation and enhancement of Bayshore Mall on land more particularly described on the attached Exhibit A (the “Property”), and such agreement was amended by the parties and Corrigan’s successors by amendments dated November 30, 2004, November 13, 2006, June 21, 2007, September 15, 2009, September 16, 2009, December 10, 2009 and November 2, 2016 (collectively, the original Development Agreement and all amendments shall be referred to as the “Prior Agreement”);

WHEREAS, a successor of Corrigan, Olshan Properties, formed Bayshore Town Center, LLC, a Delaware limited liability company, and Bayshore Benefit Corp., a Wisconsin nonstock corporation, (collectively, “Olshan”) to redevelop the Property into a regional lifestyle mixed use development, and Olshan borrowed significant debt to finance its redevelopment of the Property, including borrowing a conventional loan in the original principal amount of $205,000,000 (“the “Loan”) from American General Life Insurance Company, a Texas corporation (successor-by-merger to Western National Life Insurance Company, a Texas corporation) (“AIG”);

WHEREAS, the Loan was secured by a Fee and Leasehold Mortgage, Security Agreement, Fixture Filing, Financing Statement and Assignment of Leases and Rents recorded against the Property in the Office of the Register of Deeds of Milwaukee County, Wisconsin (the “Register”) on June 19, 2012 as Document No. 10129110, and the mortgagee’s interest in such Loan was assigned by AIG to Developer by an Assignment of Mortgage recorded with the Register on December 4, 2017 as Document No. 10734249;

WHEREAS, under Olshan’s ownership and management, the Property experienced a downturn in retail sales and tenant profitability, and Olshan determined that the regional lifestyle mixed use development on the Property in its current configuration would be unable to generate sufficient cash flow to service the Loan and to pay Olshan’s additional obligations under the Prior Agreement;
WHEREAS, in partial satisfaction of its obligations on the Loan and under the Prior Agreement, Olshan conveyed the Property, subject to the terms and obligations of the Loan, the Prior Agreement and various other encumbrances, to Developer, pursuant to two Warranty Deeds In Lieu of Foreclosure recorded with the Register on December 11, 2017 as Document Nos. 10736052 and 10736053;

WHEREAS, the CDA, the City and the Developer desire to redevelop the Property by repositioning the strongest brick and mortar retail tenants, by replacing some traditional retail tenants with restaurants (including restaurants whose format relies upon on-premises sales of alcoholic beverages and drive-through services and sales), entertainment venues, non-traditional experiential retail tenants and by adding additional multi-family and nontraditional age residential uses at the Property and at sites adjacent to the Property currently owned by the CDA and more particularly described on the attached Exhibit B (the “CDA Sites”);

WHEREAS, to successfully redevelop the Property and the CDA Sites, it is essential that the CDA and the City provide the Developer relief from all obligations incurred by Corrigan and Olshan under the Prior Agreement and grant various approvals and permits to facilitate redevelopment of the Property and the CDA Sites, and “but for” the investments and incentives provided for in this Agreement, the redevelopment of this Property would not be undertaken;

WHEREAS, to successfully redevelop the Property and the CDA Sites, it is also essential that the Developer attract significant additional capital investment into the Property and the CDA Sites;

WHEREAS, as of December 31, 2018, the southwest portion of the Property was located in Tax Incremental District No. 6 (“TID 6”) of the City, and subject to an amended project plan for TID 6 (the “TID 6 Project Plan”);

WHEREAS, all of the Property other than the southwest portion of the Property plus the CDA Sites is currently located in Tax Incremental District No. 8 (“TID 8”) of the City, and is subject to an amended project plan for TID 8 (the “TID 8 Project Plan”);

WHEREAS, the CDA and the City have, after study and hearings, found and determined that the continued economic vitality of the Property and the CDA Sites remains essential to the current and future economic health of the City and other taxing jurisdictions and has further determined that the Property has been and should continue to be an integral part of the retail needs and leisure pastime of the residents of the City and the surrounding metropolitan area;

WHEREAS, the City has delegated, to the full extent authorized by the statutes of the State of Wisconsin, its approving authority to its CDA, which CDA has the joint powers of the Common Council and the City Plan Commission to the full extent allowed by law for purposes of proceeding in connection with the intent of this Agreement and status as a party to this Agreement;
WHEREAS, the CDA and the City seek to incentivize the Developer (and/or its successors or assigns) to redevelop the Property and the CDA Sites, and Developer seeks to attract significant additional capital investment to redevelop the Property and the CDA Sites;

WHEREAS, the CDA, the City and the Developer have conceived of a redevelopment plan for the Property and the CDA Sites, as generally and preliminarily depicted on the general conceptual site plan attached hereto as Exhibit D (the “Conceptual Plan”) or pursuant to other plans which may be approved by the CDA;

WHEREAS, to attract significant additional capital investment to redevelop the Property and the CDA Sites, the CDA, the City and the Developer have agreed that:

(a) the Prior Agreement and all obligations thereunder must be amended, restated, terminated and/or merged in their entirety into this Agreement;

(b) all TID 8 bonds outstanding as of the Effective Date must be defeased;

(c) TID 6 must be closed;

(d) the southwest portion of the Property currently located in TID 6 must be added to TID 8;

(e) the TID 8 Project Plan must be further amended to expand the TID 8 boundaries to add the southwest portion of the Property, to extend the life of TID 8 to 2033 and to provide for additional project costs consistent with this Agreement and with Wis. Stats. sec. 66.1105; and

(f) the CDA and/or the City must grant, to the extent legally possible, various approvals to accommodate additional restaurants (including restaurants whose format relies upon on-premises sales of alcoholic beverages and drive-through services and sales), entertainment venues, non-traditional experiential retail tenants and multi-family and nontraditional age residential uses; and

WHEREAS, to induce Developer to retain the Property and to attract significant additional capital investment to redevelop the Property and the CDA Sites, the CDA and the City agree to undertake the obligations set forth below.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein exchanged, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

SECTION I – GENERAL PROVISIONS: PURPOSE; DEFINITIONS

1. Incorporation of Exhibits. All Exhibits referenced herein, are incorporated by reference in this Agreement, whether or not herein enumerated.
2. **Entire Agreement.** This Agreement, including all Exhibits hereto, constitutes the entire agreement among the parties hereto in respect to the redevelopment of the Property and the CDA Sites. However, this Agreement shall be deemed and read to include and incorporate all of the Exhibits hereto and any related approvals of the CDA and the City, as referenced in this Agreement.

3. **Project.** The parties agree to redevelop the Property and the CDA Sites by relieving the Property of encumbrances relating to outstanding bonds, debt and other indebtedness of the CDA and the City existing as of the Effective Date, including but not limited to debt and other obligations arising from the Prior Agreement. The parties further agree that successful redevelopment of the Property and the CDA Sites depends upon attracting significant additional capital investment into the Project. The parties anticipate that redevelopment efforts may include repositioning the strongest brick and mortar retail tenants, replacing some traditional retail tenants with additional restaurants (including restaurants whose format relies upon on-premises sales of alcoholic beverages and drive-through services and sales), entertainment venues, non-traditional experiential retail tenants and adding additional multi-family and nontraditional age residential uses to the Property and to the CDA Sites, possibly as generally and preliminarily depicted on the Conceptual Plan or pursuant to other plans which may be approved by the CDA (the "Project").

SECTION II - OBLIGATIONS OF THE CDA AND THE CITY

1. **Reassessment of the Property.** The City Assessor (Accurate Appraisal LLC d/b/a Accurate Assessor) has determined that, as of January 1, 2018, the Property was significantly over-assessed for property tax assessment purposes. Specifically, the Property was assessed at, and was generating property taxes based on, an assessed value of $310,000,000. The parties acknowledge that licensed appraisers from Cantrell McCullough, Inc. completed a market valuation analysis of the Property determining that the value of the Property, as of January 1 2019, is $67,250,000. Upon review of this market valuation analysis and on the basis of the City Assessor’s independent market analysis, the City Assessor has reassessed the Property, as of January 1, 2019, such that:

   a. that portion of the Property previously in TID 6 has an equalized value as of January 1, 2019 of $12,777,500;

   b. that portion of the Property in TID 8 as of the Effective Date and subject to a ground lease to U.S. Bank, National Association, has an equalized value as of January 1, 2019 of $1,803,900; and

   c. that portion of the Property in TID 8 and not subject to a ground lease to U.S. Bank, National Association, has an equalized value as of January 1, 2019 of $50,418,600.

A copy of the notice of changed assessment for the Property dated January 31, 2019 in conformance with Wis. Stat. sec. 70.365 is attached hereto as Exhibit G.
Based on the reassessments described above, the total assessed value of the Property, as of January 1, 2019, was reduced to $65,000,000. As the CDA Sites remain tax exempt as of January 1, 2019, the assessed value of the CDA Sites, as of January 1, 2019, remains $0. The assessed value of the properties other than the Property and the CDA Sites within TID 8, as of January 1, 2019, remains $10,501,800.

2. **Termination of TID 6.** The parties acknowledge that all project costs incurred consistent with the TID 6 Project Plan have been paid and that no debt secured by TID 6 tax increment remains outstanding. Accordingly, the City and the CDA have terminated and have closed TID 6, consistent with Wis. Stat. sec. 66.1105(7), with the closure becoming effective not later than April 15, 2019.

3. **Amendment of TID 8.** One result of the reassessment of the Property and the closure/termination of TID 6 is to remove sufficient property tax base in the City from the subject tax incremental districts such that less than twelve percent of the total equalized value of taxable property within the City is located in tax incremental districts and the boundaries of TID 8 may be amended in compliance with Wis. Stat. sec. 66.1105(5). Accordingly, the CDA and the City shall amend the boundaries of TID 8 to include all of the Property (including that portion of the Property previously in TID 6) and to amend the TID 8 Project Plan such that the CDA and the City shall be authorized to undertake all of the obligations of the CDA and the City contemplated in this Agreement, including, but not limited to:

   a. Extending the life of TID 8 to 2033;

   b. Accommodating the defeasance of all TID 8 bonds outstanding as of the Effective Date; and

   c. Paying to the Developer (and/or its successors and/or assigns if directed in writing by the Developer) all Available Tax Increment generated from TID 8 (as its boundaries are amended), for the period extending from the Effective Date through the end of calendar year 2033. The parties acknowledge that, pursuant to the terms of this Agreement and the obligations described herein, and the City Assessor’s 2019 revaluation, the Tax Incremental Base for TID 8, as amended, shall be approximately $75,501,800 and the Tax Incremental Base of the Property and the CDA Sites alone shall be approximately $65,000,000 (based on the DOR certification and as acceptable to Developer). Available Tax Increment due to Developer shall equal all Available Tax Increment in excess of such Tax Incremental Base.

   A draft of the amendment to the TID 8 Project Plan contemplated in this Agreement (the “Draft TID 8 Amendment”) is set forth on the attached Exhibit H. An explanatory letter from the City Finance Director and the DOR’s 2018 TIF Value Limitation Report for the City are set forth in the attached Exhibit I. The CDA and the City shall use their best efforts to cause all governmental bodies with jurisdiction over TID 8 to adopt the Draft TID 8 Amendment with an adoption date not earlier than August 16, 2019 and not later than September 1, 2019.
The CDA and the City have submitted to the City’s Joint Review Board (“JRB”) an independent audit that demonstrates that the District is unable to pay off its project costs within 27 years and caused the JRB to extend the life of the District by an additional four years through 2033. The CDA and the City also shall use their best efforts to obtain from the DOR certification of aggregate valuation and the Tax Incremental Base of TID 8 consistent with the terms of this Agreement. If DOR notifies the City of any noncompliance of the Draft TID 8 Amendment with Wis. Stat. sec. 66.1105, the CDA and the City shall use their best efforts to correct such noncompliance to the extent that such noncompliance can reasonably be corrected.

4. **Conveyance of CDA Sites.** Upon Developer’s performance of its obligations under Section III(2) below (Developer depositing the Defeasance Deposit Amount with the Escrow Agent and Developer refraining from exercising its right under Section I(6) above) and subject to the terms of this Section and other terms acceptable to Developer in its sole discretion (so long as Developer’s terms do not obligate the CDA or the City to incur expenses or obligations beyond those set forth in this Agreement), the CDA shall convey to the Developer (or Developer’s designee if directed by Developer in writing), as consideration for the deposit of the Defeasance Deposit Amount with the Escrow Agent and the disbursement therefrom, fee simple title to the CDA Sites, free and clear of all liens and encumbrances, other than those encumbrances which the Developer accepts by written notice delivered to the CDA prior to the conveyance. At least 60 days prior to the conveyance of the CDA Sites, the CDA shall deliver to Developer true, correct and complete copies of all environmental reports and filings, surveys, test results, title evidence, engineering data, soil or geotechnical tests, documentation relating to public infrastructure, services or utilities and similar materials related to the CDA Sites or any portion thereof available to the CDA. Developer shall have access to the CDA Sites at all times, commencing with the Effective Date and prior to conveyance to the Developer, for purposes of all of its due diligence requirements. The CDA shall reasonably cooperate with Developer in resolving any due diligence concerns identified by Developer with respect to the CDA Sites prior to their conveyance to Developer.

5. **CDA and City Approvals for Redevelopment.** The CDA and/or the City must grant various approvals to accommodate redevelopment of the Property and the CDA Sites, including, but not limited to, repositioning of the strongest brick and mortar retail tenants, replacement of some traditional retail tenants with restaurants (including restaurants whose format relies upon on-premises sales of alcoholic beverages and drive-through services and sales), entertainment venues and non-traditional experiential retail tenants and addition of multi-family and nontraditional age residential uses. The CDA and/or the City, depending on the body with jurisdiction, shall, to the extent legally possible, consider and grant various approvals to facilitate the Project, including but not limited to:

- rezoning amendments,
- special use permits,
- food establishment licenses,
- liquor licenses,
- certified survey maps,
- design approvals;
- signage approvals (including both on-premises and off-premises signs facing all publicly dedicated streets), and
- vacating, replatting and/or dedicating public streets consistent with the Conceptual Plan or other plans approved by the CDA for the Project.

Notwithstanding the foregoing, the parties acknowledge that the City and the CDA cannot contract away their governmental authority. Accordingly, while the City and the CDA have contractually committed to consider the approvals described in this Agreement, the City and the CDA cannot deviate from any legally required due process or guaranty any particular legislative decision.

(a) Permitted and Prohibited Uses. The City and the CDA agree that all uses listed on the attached Exhibit E shall be prohibited on the Property and at the CDA sites (the “Prohibited Uses”) and all uses other than Prohibited Uses shall be permitted as of right on the Property and at the CDA Sites. The CDA shall expeditiously review and approve all uses, changes in use and improvements proposed for development on the Property and/or the CDA Sites as necessary consistent with the Prohibited Uses. The CDA also shall reasonably consider modifying uses as Prohibited Uses at the Property and on the CDA Sites upon submittal to the CDA of a site and operational plan for such new or changed use. Nothing in this Agreement shall require City or CDA approval or any type of use approval for new tenants that replace a previously operational use with a similar use.

(b) Signage and Design Standards. The City and the CDA agree that all signs and building and site designs satisfying the criteria listed on the attached Exhibit F (the “Signage and Design Standards”) shall be permitted on the Property and at the CDA sites and generally with respect to the Project. The CDA also shall reasonably consider modifying the Signage and Design Standards upon submittal to the CDA of written request and plans for revised signage and/or design standards.

(c) Limited Scope and Timing for Approval. The parties acknowledge that, so long as this Agreement remains in effect, the City has vested in the CDA the sole jurisdiction, authority and all powers necessary or incidental to grant approvals on the City’s behalf to facilitate the Project. In this regard, the CDA alone shall determine if any use is permitted on the Property and at the CDA Sites and if any signs and building and site designs on the Property and at the CDA Sites comply with the Signage and Design Standards. The CDA shall approve all uses other than the Prohibited Uses and all signs and building and site designs consistent with the Signage and Design Standards. If Developer submits to the CDA a written request for a determination if any use, sign and/or building or site design proposed at the Property or the CDA Sites is permitted and/or compliant and the CDA fails to notify Developer in writing within 30 days of such submittal a description as to why any use constitutes a Prohibited Use or any sign or building or site design fails to comply with the Signage and Design Standards, Developer’s submittal shall be deemed approved and the City shall issue all necessary municipal permits therefor.

(d) Public/Private Streets. The City and the CDA agree that all public streets within the Property have been vacated and that all streets within the Property and the
CDA Sites shall be private so long as the Developer desires to undertake construction of vehicular and pedestrian access improvements on the Property and/or the CDA Sites. The City and the CDA may reserve utility easements over any vacated streets; and building over utility pipes shall be prohibited without written consent from the City engineer. Upon a petition from the Developer submitted to the City consistent with Wis. Stat. sec. 236.34 or another dedication instrument acceptable to the City, the City shall consider accepting dedication of any newly platted and dedicated public streets within the Property and the CDA Sites, provided that the same satisfy City standards and have been adequately maintained.

6. Payments Due to Developer from Tax Increment. In consideration of Developer’s performance of its obligations under Section III below, the City and the CDA shall pay to the Developer (or, in whole or in part, any successor or assignee of Developer designated in writing by Developer, at any time and from time to time), as set forth in this Section commencing with the year 2020 and extending through the end of the year 2033, all Available Tax Increment. On the Effective Date, the CDA and the City shall execute and deliver to the Developer the MRO attached hereto as Exhibit J. Payments of Available Tax Increment other than that generated from personal property taxes shall be due to the Developer from the City and the CDA on the date (or the next following business day) any such Available Tax Increment is received by the City commencing in 2020 and extending through 2033 to the extent of the Available Tax Increment received by the City by the prior Collection Date. Payments of Available Tax Increment generated from personal property taxes shall be due to the Developer from the City and the CDA on the next business day following any statutory due date for personal property tax payments commencing in 2020 and extending through 2033 to the extent of the Available Tax Increment received by the City prior to the statutory due date.

Payments due from the CDA or the City to the Developer under this Section and the MRO may be satisfied in the following ways:

a. returning to the Developer via wire transfer on the day received (or the next following business day) Available Tax Increment actually received by the City with respect to any portions of the Property or the CDA Sites owned by the Developer (or its affiliates), or

b. paying to the Developer via wire transfer on the day received (or the next following business day) any Available Tax Increment actually received by the City from any third parties unrelated to Developer (or its affiliates), including but not limited to any Available Tax Increment received by the City from the Milwaukee County Treasurer as a settlement under Wis. Stat. sec. 74.29(1).

Developer shall pay any wire transfer fees actually incurred by the City in making the payments due under this Section.

Upon Developer’s performance of all of its obligations under Section III(2) below (deposit of the Defeasance Deposit Amount), the City and the CDA shall establish the Special Fund at the Bank selected by Developer in Developer’s sole discretion. All Tax Increment shall be deposited into the Special Fund immediately upon receipt and, on payment date
described above, paid via wire transfer to Developer (or, in whole or in part, any successor or assignee of Developer designated in writing by Developer, at any time and from time to time) consistent with the terms of this Section II(6) and the MRO. The Special Fund shall be administered consistent with the terms of the Sweep Account Agreement among the City, the CDA, the Developer and the Bank, a copy of which is attached hereto as Exhibit O.

The City shall undertake all reasonable efforts to collect all real property taxes due with respect to property within TID 8. If any third party not affiliated with Developer fails to timely pay property taxes due with respect to property within TID 8, the City shall diligently pursue all remedies available at law or equity, including but not limited to collection from the Milwaukee County Treasurer of all then-unpaid taxes as a settlement under Wis. Stat. sec. 74.29(1).

7. **General Provisions.**

   a. **Accounting.** The CDA or the City shall furnish to Developer a full accounting of all costs incurred by them or their attorneys, consultants, agents or contractors in connection with the defeasance of the TID 8 bonds outstanding as of the Effective Date (including but not limited to all costs of financing, capitalized interest costs, debt service reserve fund costs and any bond issuance costs and fees), the redevelopment of the Property, all TID 8 project costs, all collections and distributions of Tax Increment and Available Tax Increment and all other related costs and expenses. Developer shall have access to all CDA and City records relating to these items upon reasonable request and shall have the right to require adjustment of those calculations for any amounts that were not incurred or disbursed other than as required herein.

   b. **Authority.** The agreements contained in the exhibits have been properly authorized and executed.

   c. **No Tax Increment Transfer.** The City and the CDA shall have no right to commit, any Tax Increment to parties other than Developer, without Developer’s prior written consent, until the Developer has received all payments due to Developer under subsection 6 above and the MRO.

**SECTION III – OBLIGATIONS OF THE DEVELOPER**

1. **Attract Additional Capital Investment Into the Property and the CDA Sites.** Developer is endeavoring to attract significant additional capital investment to the Property and the CDA Sites and to cause the Property and the CDA Sites to be redeveloped consistent with the Conceptual Plan or as otherwise consistent with plans which may be approved by the CDA and as otherwise acceptable to Developer in its sole discretion. Developer makes no representations or warranties with respect to any such additional capital investment.

2. **Defease TID 8 Bonds Outstanding as of the Effective Date.** The parties acknowledge that, as of the Effective Date, the following bonds are outstanding and secured
by Tax Increment as well as by the obligations incurred by previous owners of the Property to pay debt service under the Prior Agreement:

a. $2,480,000: 2012 Taxable general obligation bonds  
b. $11,195,000: 2014 CDA lease revenue bonds  
c. $12,070,000: 2015A CDA lease revenue bonds  
d. $10,000,000: 2015B Taxable lease revenue bonds  
e. $17,520,000: 2017 Taxable lease revenue bonds  
f. For an estimated balance of $53,265,000 outstanding on the TID 8 bonds as of the Effective Date.

The parties also acknowledge that, as of the Effective Date, the City and the CDA have the following reserve and/or stabilization funds on hand to partially offset the balances due on the outstanding TID 8 bonds as described above:

a. $1,550,000 FNMA 3136G1320 11/27/19 (East Parking)  
b. $1,500,000 FHLB 313381TY6 2/6/20  
c. $1,000,000 FRMC 3134G35V8 3/13/20  
d. $2,400,000 FHLB 3130ACU51 11/25/22  
e. $2,300,000 Fed Farm Credit Bank 3133EHEJ8 1/3/20  
f. $3,000,000 FRMC 3134GB656 12/29/22  
g. For an estimated amount of funds on hand available to offset the balances due on the TID 8 bonds of $11,750,000.

The parties understand that outstanding obligations due with respect to the TID 8 bonds are a significant deterrent from attracting additional capital investment to the Property and the CDA Sites and obstacles to the redevelopment of the Property and the CDA Sites.

A schedule to defease all TID 8 bonds outstanding as of the Effective Date and to credit against such bonds all existing reserve funds and/or stabilization funds is attached hereto as Exhibit L.

Subject to the CDA and the City’s performance of all of their respective obligations as contemplated in this Agreement and contingent upon Developer refraining from exercising its right under Section I(6) above, Developer shall deposit into escrow with Associated Trust Company, National Association, a national banking association with trust powers (the “Escrow Agent”) on the Effective Date, an aggregate amount equal to the amount
reasonably calculated by Robert W. Baird & Co. on July 29, 2019 and confirmed by the Developer as necessary not later than July 31, 2019 to defease all of the TID 8 bonds listed above as of the Effective Date (the “Defeasance Deposit Amount”). The Defeasance Deposit Amount shall be deemed a prepayment in lieu of property taxes. As a condition to Developer making such deposit, the City and the CDA shall concurrently deliver to Developer an absolute, unconditional and immediately effective Certificate of Defeasance, in the form attached hereto as Exhibit M, with respect to each series of TID 8 bonds. Such amounts deposited by Developer in escrow with the Bank shall be subject to the terms of a preliminary deposit escrow agreement between Developer, the City, the CDA and the Escrow Agent substantially in the form attached hereto as Exhibit N. The preliminary deposit escrow agreement shall provide that, among other provisions, (a) deposited funds shall be deemed to fulfill any and all obligations of Developer to ensure that sufficient funds will be available as and when payments on the TID 8 bonds come due; (b) deposited funds shall be returned to Developer immediately upon Developer’s written request to the Escrow Agent if the contingency in Section I(6)(b) is not satisfied by August 16, 2019 or the contingency in Section I(6)(d) is not satisfied by September 1, 2019; (c) following deposit of the Defeasance Deposit Amount, the Developer will have fully satisfied any and all of Developer’s obligations under the Prior Agreement and with respect to the TID 8 bonds and in no event shall Developer (or its successors or assigns) have any additional or further liability therefor; (d) after satisfaction of the contingencies in Sections I(6)(b) and I(6)(d), deposited funds and any earnings thereon shall be disbursed into an irrevocable escrow for the sole purpose of defeasing the TID 8 bonds and the City and the CDA shall ensure that the TID 8 bonds are paid in full, and (e) the CDA and the City shall make up any shortfall between the Defeasance Deposit Amount and the actual amount necessary to defease all TID 8 bonds and the CDA and the City shall retain any excess of the Defeasance Deposit Amount not needed to defease the TID 8 bonds. The CDA and the City shall ensure full payment of all of the TID 8 bonds; the CDA and the City shall pay any insufficiency and shall recover any funds remaining in the irrevocable escrow after full repayment of the TID 8 bonds.

3. Guaranty Minimum Assessed Value. As of January 1, 2019, the Developer agrees to cause the equalized value of the Property and the CDA Sites to be not less than the 2002 “Base Value” of the Property and the CDA Sites upon reassessment under Section II(l) above to $65,000,000 (the “Minimum Guaranteed Value”). The Developer further agrees to maintain that Minimum Guaranteed Value for the Property and the CDA Sites until December 31, 2033 (the “Value Guaranty Period”). Developer shall, in any tax year during the Value Guaranty Period that the equalized value of the Property and CDA Sites is less than the Minimum Guaranteed Value, and following thirty (30) days written notice by the CDA to Developer, pay to the CDA, on or before the tax bills for that tax year must be paid, real and personal property taxes assessed against portions of the Property and the CDA Sites then owned by Developer and/or its affiliates for that year, plus the “Makeup Payment” defined below. The “Makeup Payment” shall be calculated to be the difference between:

a. The real property and personal property taxes that would have been payable had the Property and the CDA Sites had an equalized value equal to the Minimum Guaranteed Value, using the tax rates for the year for which such calculation is to be performed; and
b. The real and personal property taxes assessed to the Property and the CDA Sites payable for such tax year.

The parties acknowledge that real and personal property taxes assessed against any portions of the Property, the CDA Sites or other property in TID 8 not owned by Developer or its affiliates shall offset the amount of any Make-Up Payments due from Developer.

4. Payments Due to Developer and General Property Tax Payments. The parties acknowledge their intention that Developer’s obligations to pay property taxes with respect to the Property and the CDA Sites then-owned by the Developer (or its affiliates) shall be consistent with the terms of this Agreement and Chapter 74 of the Wisconsin Statutes.

Developer and/or its affiliate shall pay that amount obtained by multiplying the total county, city, school and other local general property taxes levied in a given year on those portions of the Property and the CDA Sites then-owned by the Developer (and its affiliates) multiplied by the Tax Incremental Base for such properties.

The City agrees to deposit all Tax Increments actually received by the City in the Special Fund. The City and the CDA also agree to pay all Available Tax Increment due to Developer consistent with Sections II(6)(b) and (c) above and with the MRO.

5. Developer Shall Reimburse City and CDA Fees. Developer shall reimburse the CDA or the City all costs or fees of the CDA and the City’s attorneys and consultants incurred in connection with the defeasance of the outstanding TID 8 bonds and the negotiation and preparation of this Agreement, not to exceed $350,000.00. Reimbursement shall be made within thirty (30) days of Developer’s receipt of invoices documenting appropriate costs and fees.

SECTION IV – REPRESENTATIONS AND WARRANTIES

Developer represents and warrants to the CDA and the City, and the CDA and the City respectively represent and warrant to Developer as follows, as of the Effective Date:

1. Good Standing. The Developer is an entity duly formed and validly existing under the laws of its state of creation and has the power to own and operate the Property. The Developer is duly licensed or qualified to do business in the State of Wisconsin.

2. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by the Developer hereunder have been duly authorized by all necessary entity action and constitute valid and binding obligations of the Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors’ rights generally. The CDA and the City represent and warrant to Developer that the CDA and the City have the power, authority and legal right to enter into all of the transactions and to perform all of the covenants and obligations required to be entered into or performed by the CDA and the City under this Agreement.
3. **No Conflict.** The execution, delivery, and performance of Developer’s obligations pursuant to this Agreement will not violate or conflict with Developer’s organizational documents or any indenture, instrument or material agreement by which Developer is bound. The execution, delivery, and performance of CDA’s and the City’s obligations pursuant to this Agreement will not violate or conflict with the CDA’s or the City’s incorporation documents or any indenture, instrument or material agreement, law or regulation by which CDA or the City is bound.

4. **No Litigation.** There is no litigation or proceeding pending or threatened against the Developer, the CDA or the City relative to their respective activities under this Agreement.

5. **No Default.** No default, or event which with the giving of notice or lapse of time or both would be a default, exists under this Agreement or the Prior Agreement.

**SECTION V – COVENANTS**

The following shall be considered continuing covenants hereunder.

1. **Tax Exempt Owners or Users.** So long as Developer is eligible to receive payments under Section II(6) above and/or under the MRO, Developer shall not transfer the ownership or use of any portion of the Property or the CDA Sites to any entity which would render that parcel exempt from property taxation, without the prior written consent of the CDA, which consent shall not be unreasonably withheld, delayed or conditioned. The CDA shall consent to any transfer to a government entity or utility necessary to redevelop the Property and the CDA Sites.

2. **No Material Changes.** No portion of this Agreement, nor any document attached as an exhibit, may be amended, except in a written amendment executed by Developer and the CDA.

3. **Insurance.** Developer shall maintain and shall require that any successors or assigns of Developer with any fee interest in the Property and/or the CDA Sites, maintain, the following insurance policies issued by insurers with a rating of at least “A-” and in the financial size category of at least “VII” as established by A.M. Best Company and licensed to do business in the State of Wisconsin, with such policies (the “Insurance Policies”) covering loss by perils, hazards, liabilities and other risks and casualties and in such amounts as may be reasonably required by the CDA:

   a. “All risks” property insurance (including without limitation, insurance against fire, flood, water damage, collapse, terrorism, windstorm, hail, boiler and machinery, if applicable, sewer back-up, business interruption, and such other risks of loss as the CDA reasonably may require to the extent coverages are available at commercially reasonable rates), against loss of or damage in amounts equal to at least 100% replacement cost of all buildings, improvements, fixtures, equipment and other real and personal property;

   b. During any construction of the Project, builder’s risk insurance in form and amounts reasonably satisfactory to the CDA;
c. Commercial general liability insurance covered under a comprehensive general liability policy including contractual liability in an amount not less than $10 million combined single limit for bodily injury, including personal injury, and property damage; and

d. Worker’s compensation insurance in amounts meeting all statutory state and local requirements.

SECTION VI – DEFAULT

1. Developer Default.

a. Default. The occurrence of any one of the following events shall constitute a default by Developer hereunder (a "Developer Default"): (i) any representation or warranty of Developer herein or in any agreement or certificate delivered pursuant hereto shall prove to have been false in any material respect when made; (ii) Developer fails to pay any amount when due under this Agreement and further fails to pay such amount on or before five days following written notice of such failure; (iii) Developer breaches or fails to perform timely or observe timely any of its covenants or obligations under this Agreement (other than relating to the payment of money) which is not cured within thirty (30) days after written notice thereof to Developer (provided, however, if the default cannot reasonably be cured within such 30 day period, Developer shall not be deemed in default if Developer commences to cure the default within such 30 day period and thereafter diligently pursues the completion of such cure and completes the same within a reasonable period thereafter but not later than 180 days following the notice or a longer time reasonably agreed to by the CDA); or (iv) Developer [a] makes a general assignment for the benefit of creditors or to an agent authorized to liquidate any substantial amount of its assets; [b] becomes the subject of an “order for relief” within the meaning of the United States Bankruptcy Code, or files a petition in bankruptcy, for reorganization or to effect a plan or other arrangement with creditors; [c] has a petition or application filed against it in bankruptcy or any similar proceeding, or has such a proceeding commenced against it and such petition, application or proceeding shall remain undismissed for a period of ninety (90) days or Developer shall file an answer to such a petition or application, admitting the material allegations thereof; [d] applies to a court for the appointment of a receiver or custodian for any of its assets or properties, with or without consent, and such receiver shall not be discharged within ninety (90) days after his/her appointment; [e] adopts a plan of complete liquidation of its assets; or [f] shall cease to exist.

b. Remedies. In the event of a Developer Default, the CDA and the City shall have all rights and remedies available under law or equity with respect to said default.

c. Reimbursement. Any amounts expended by the CDA or the City in enforcing this Agreement and the obligations of Developer hereunder, including reasonable attorney’s fees, and any amounts expended by the CDA or the City in curing a Developer Default, together with interest at the legal rate, shall be paid by Developer to the CDA upon demand and shall constitute a lien against the Property until such amounts are reimbursed or paid to the CDA, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.
d. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.

e. **Failure to Enforce Not a Waiver.** Failure of the CDA or the City to enforce any provision contained herein shall not be deemed a waiver of the CDA or the City’s rights to enforce such provision or any other provision in the event of a subsequent default.

2. **CDA’s or City’s Default.**

   a. **Default.** The occurrence of any one of the following events shall constitute a default by the CDA and the City hereunder (a "City Default"): (i) any representation or warranty of the CDA or the City herein or in any agreement or certificate delivered pursuant hereto shall prove to have been false in any material respect when made; (ii) the CDA or the City fails to pay any amount when due under this Agreement and further fails to pay such amount on or before five days following written notice of such failure; (iii) the CDA or the City breaches or fails to perform timely or observe timely any of its covenants or obligations under this Agreement which is not cured within thirty (30) days after written notice thereof to the CDA (provided, however, if the default cannot reasonably be cured within such 30 day period, the CDA and the City shall not be deemed in default if either commences to cure the default within such 30 day period and thereafter diligently pursues the completion of such cure and completes the same within a reasonable period thereafter but not later than 180 days following the notice or a longer time reasonably agreed to by the Developer.

   b. **Remedies.** In the event of a City Default hereunder, Developer shall have all rights and remedies available under law or equity with respect to said default.

   c. **Reimbursement.** Any amounts expended by Developer in enforcing the obligations of the CDA or the City under this Agreement, including reasonable attorney’s fees, and any amounts expended by Developer in curing a default on behalf of the CDA or the City, together with interest at the legal rate shall be reimbursed or paid to Developer.

   d. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.

   e. **Failure to Enforce Not a Waiver.** Failure of Developer to enforce any provision contained herein shall not be deemed a waiver of Developer’s rights to enforce such provision or any other provision in the event of a subsequent default.

**SECTION VII - MISCELLANEOUS PROVISIONS**

1. **Assignability.** Except as specifically set forth in this Section, none of the Developer, the CDA nor the City may assign their rights or obligations under this Agreement without the prior written consent of the others, which consent shall not be unreasonably withheld, delayed or conditioned. Following Developer’s performance of its obligations under Section III(2) above (deposit of the Defeasance Deposit Amount), Developer may
assign (or partially assign) any or all of its rights and obligations under this Agreement to any entity that is owned or controlled, in whole or in part, by Developer, Cypress Equities or any third party investing significant new equity into the Project, or any affiliates of any of them. Upon any assignment of all of Developer’s rights and obligations under this Agreement and assumption of the same by Developer’s assignee, Developer shall be fully released hereunder. In addition to Developer’s rights to assign or partially assign its rights and obligations under this Agreement, upon written direction from Developer to the CDA, any payments or partial payments due to Developer under Section II(6) above or under the MRO may, at Developer’s sole option, be assigned or partially assigned to any designee of Developer.

2. **No Personal Liability.** Under no circumstances shall any officer, official, commissioner, director, member, partner, owner or employee of the CDA, the City or Developer, or their respective members, shareholders, directors or owners, have any personal liability arising out of this Agreement, and no party shall seek or claim any such personal liability. The limitation on personal liability in this Section shall extend to Developer’s permitted assignment of this Agreement to a third party.

BACKGROUND/ANALYSIS:
On August 1, 2011, the Glendale Common Council and Community Development Authority approved a refunding debt issue in the amount $14,555,000 for Tax Incremental District #6 (TID #6). This provided for a debt structure that could be supported by TID #6 available revenues. While the final debt principal payment of $3,930,000 is not due until October 1, 2019, TID #6 has the funds to be able to retire the debt five months early, and the debt is a callable issue.

The budgeted expenditure amount related to this Community Development Authority debt issue includes $127,725 of interest expense. By paying off the debt by the end of April 2019, the amount of interest owed on this obligation will be reduced by approximately $53,000.

RECOMMENDATION:
I recommend the Common Council approve the Resolution Authorizing the Redemption of Community Development Refunding Lease Revenue Bond Series 2011A (TID No. 6), dated August 1, 2011.

Signage and Design Standards

CENTER-WIDE SIGNAGE CONCEPTS

Colorful and interesting signs invite visitors and guests, help explain the venue and contribute to the entertainment/shopping/dining experience. Integration or blending with architecture and environment is vital. Awareness of contextual complexities of surrounding areas and how that applies to the overall center and individual users is also important. A wide range of design freedom to express images and individuality through dynamic and creative signage is encouraged.

To maintain a high quality retail/entertainment/mixed use environment, no formed plastic, injection molded plastic, or box-type back-lit panel signs are permitted. All bolts, fastenings and clips should be concealed, if reasonably possible.

No sign makers labels or other identification shall be permitted on the exposed surface of signs, except those required by City ordinance. If required by City ordinance, such labels or other identification shall be in inconspicuous locations.

No exposed conduit, tubing or raceways, conductors, transformers and other equipment, will be permitted.

The lighting to signage shall be controlled by a 24 hour time clock set in accordance to hours when the center is open to the public or as otherwise appropriate for safety by the owner.

1. RESTRICTIONS ON INWARD FACING SIGNS.

Recognizing that colorful and interesting signs are enhancements to the entertainment/shopping/dining experience, any signs deemed appropriate by the owner shall be permitted on inward facing signs at the site. Inward facing signs are defined as all signs other than signs directly facing and within 100 feet of the public rights of way of Port Washington Road, West Silver Spring Drive and Lydell Avenue, as specifically depicted on the attached “Outward Facing Signs Exhibit.”

II. RESTRICTIONS ON OUTWARD FACING SIGNS.

The following restrictions shall apply to all signs facing the public rights of way of Port Washington Road, West Silver Spring Drive and Lydell Avenue, as specifically depicted on the attached “Outward Facing Signs Exhibit.”
A. Permitted Outward Facing Signs by Use.

(1) Residential Uses, Condominiums, and Apartment Complexes. Residential uses, condominiums, and apartment complexes are allowed residential entry-way, way-finding and branding signs.

(2) Commercial and Retail Uses.
   (a) All commercial and retail uses are permitted at least one wall sign.
   (b) Commercial and retail buildings with two (2) or more tenants or individually owned condominium units are permitted a free-standing sign or a monument sign in addition to wall signage. In lieu of a free-standing sign or a monument sign on the property, each tenant or individually owned condominium unit with a separate exterior entrance may have one additional wall sign or a total of two (2) wall signs.
   (c) Individual retail uses that have more than twenty thousand (20,000) square feet of first floor building area are permitted a free-standing sign or a monument sign and two (2) wall signs.
   (d) When more than one (1) wall sign is permitted for any commercial or retail use, at least one (1) wall sign shall be located on the building that houses the use, but additional permitted wall signs may be located either on the same building or on other buildings on the property.
   (e) Traffic directional and way-finding signs also are allowed.

(3) Corner Properties. Commercial establishments located on corner properties will be allowed at least two (2) and up to three (3) signs. Such properties will be allowed either:
   (a) A free-standing sign or a monument sign and a wall sign, or;
   (b) Two (2) wall signs to be placed on separate building fronts; plus
   (c) An additional wall sign if first floor building area is greater than twenty thousand (20,000) square feet.
   (d) Traffic directional and way-finding signs also are allowed.

B. Dimensional Limits on Outward Facing Signs.
   (1) No free-standing or monument sign shall exceed 25 feet in height or 300 square feet in sign area.
   (2) No wall sign shall exceed 300 square feet in sign area.
   (3) No traffic directional or way-finding signs shall exceed ten feet in height or twenty feet in sign area.

III. IMAGES NOT ADVERTISING.

A. All images and displays which do not constitute advertising of specific products or services also shall be permitted (whether inward facing or outward facing). Examples of permitted images and displays shall include, but not be limited to:
(1) public art, including images, displays, murals and sculptures;
(2) television, movie or other digital screens provided primarily for public entertainment; and
(3) images and displays providing primarily public information.

B. One large screen projecting digital images may be mounted on the exterior wall of a building facing Port Washington Road and may display images from or for any businesses operating at the center.
DESIGN STANDARDS

GENERAL DESIGN CRITERIA

An integration of both traditional and contemporary design are encouraged. All existing design elements on the Property are acceptable, and any new design elements consistent with existing design elements shall be approved. Buildings should have a balance horizontal/vertical rhythm of windows, offsets, roof lines, materials, and entrances. Buildings should be highlighted by massing variety that includes transitions at least every 80’. Main entrances of buildings should be clearly identifiable and timeless architectural materials, features, and forms should be integrated into the design.

Designs should be high-quality, providing character without being obtrusive or artificial. Class 1 and Class II materials listed below are acceptable, provided that at least 50% of all public facing building facades shall be faced with Class I materials.

Consideration of mural graphics, sculptural elements, and lighting are encouraged to be integrated into the context of the design composition.

SPECIFIC RECOMMENDATIONS

Architecture will typically be the most prominent development component. Both visually and physically, architecture will play a major role in defining the overall design character and mix of uses. The design and location of buildings shall emphasize the following:

- Promote an animated street presence with a mix of street-level uses, interesting building facades, doors and windows on the street where appropriate, careful design of lighting, awnings, signage and other elements that animate the pedestrian experience.
- Promote variety in building design, character and expression; not one theme or building style, but a thoughtful integration of many design solutions
- Promote a variety of building types, including a range of height, scale and proportion that supports an integrated mix of shopping destinations, food venues, service businesses, commercial office options, and other mixed uses
- Architectural elements, character, transparency and a high level of materials and detailing should be used to highlight corridors and crossroads throughout the Property
- Encourage the use of high-quality materials (Class I and Class II materials), suggesting a preference toward native materials and local building techniques
Minimize the impact of mechanical equipment; as viewed from ground levels, all mechanical equipment located on the roof or around the perimeter of a structure shall be screened by a raised parapet, by compatible exterior building materials, or painted to complement the building materials in order to diminish impact. Incidental rooftop equipment deemed unnecessary to be screened shall be of color to match the roof or the sky.

Equipment used for mechanical, processing, bulk storage tanks, or equipment used for suppressing noise, odors, and the like that protrudes from a side of a building or is located on the ground adjacent to a building shall be screened from public view as much as practical with materials matching the design of the building. Where miscellaneous exterior equipment cannot be fully screened with matching building materials, landscaping may be used as additional screening.

Building and site limitations are as follows:

- Height: not more than 7 stories (approximately 100 feet).
- Floor to Area Ratio of not greater than 4:1.
- Zero setbacks between buildings and lot lines shall be permitted, provided that at least 5 foot landscape buffers are provided around the perimeter of large surface parking lots.
- Parking: not less than 1 parking space per 1,000 square foot of building area.
- Colors: earth tones are preferred, but all colors consistent with a unified architectural scheme shall be permitted.

Draft Amendment to TID 8 Project Plan

City of Glendale
Tax Incremental District Number Eight, City of Glendale
Project Plan Amendment #2

I. INTRODUCTION: GOALS AND OBJECTIVES, AND A STATEMENT INDICATING HOW THE ADDITION OF TERRITORY TO TAX INCREMENTAL DISTRICT NUMBER EIGHT PROMOTES THE ORDERLY DEVELOPMENT OF THE CITY

Purpose

The purpose of Project Plan Amendment #2 (“Amendment #2”) is to recognize that Tax Incremental District Number Eight (“TID 8”) is suffering from extreme economic obsolescence, is in need of further redevelopment and requires an extension of the life of the TIF in order to achieve economic stability and retire debt. But for additional economic incentives and an extension of the life of TID 8, redevelopment and economic stability are not feasible.

Background

On August 26, 2002, the City created TID 8 and adopted its Project Plan to facilitate the redevelopment of the City’s major commercial center, located along North Port Washington Road (approximately West Henry Clay Street to West Bender Road) and West Silver Spring Drive (Interstate Highway 43 to North Lydell Avenue). The City amended the Project Plan on June 14, 2004 and added territory (“Amendment #1”). The City desires to amend the Project Plan a second time with this Amendment #2 to add additional territory at the northeast corner of North Port Washington Road and West Silver Spring Drive. Together with this Amendment #2, the City is requesting that the Joint Review Board extend the life of TID 8 for an additional four years through the end of 2033.

Over the life of TID 8, significant debt has been incurred and still requires repayment. At the same time, TID 8 experienced a downturn in retail sales and tenant profitability. Prior owners of the Bayshore Town Center determined that the regional lifestyle mixed use development in its current configuration would be unable to generate sufficient cash flow to service its loan, including its obligation to repay debt incurred by the City and its Community Development Authority (“CDA”).
Goals and Objectives

The fundamental goal of TID 8 is and continues to be to protect and promote the health, safety, morals and general welfare of the City through the elimination and prevention of substandard, deteriorated, slum and blighted areas and blighted properties through redevelopment and other activities in the redevelopment area. At least 50 percent by area of real property in TID 8 is blighted area and adversely impacted by extreme economic obsolescence.

In order to accomplish the above goals and objectives, and to promote the orderly development of the City, the CDA and the City will exercise their powers under Section 66.1335 and 66.1105 of the Wisconsin Statutes, including but not limited to, acquiring and selling property by purchase, lease, eminent domain or otherwise, issuing obligations to finance its activities within the project area, and other activities such as, but not limited to, planning, urban design and landscape design, relocation planning and related assistance, environmental investigation and remediation, geotechnical investigation, engineering and foundation preparation, surveying and consolidation of parcels of land, building demolition, site clearing and preparation, public works infrastructure improvements, construction of buildings, public facilities and other structures, redevelopment incentives, as well as other required or related activities and actions.

II. EXISTING USES AND CONDITIONS OF REAL PROPERTY WITHIN TID 8; PROPOSED IMPROVEMENTS AND USES AND PROPOSED CHANGES IN ZONING AND CITY ORDINANCES

Existing Land Uses and Conditions of Real Property

The original land uses within TID 8 include the Bayshore Mall, the United States Post Office and Glen Bay Plaza multi-tenant retail office center. Amendment #1 added to TID 8 US Bank, Kohl’s Department Store, the Goodyear parcel and the original Bayshore Mall core. A map showing the existing uses and conditions of the real property within TID 8 is attached hereto as EXHIBIT A.

This Project Plan Amendment #2 proposes to further amend the TID 8 project area by adding approximately 7 acres and the existing buildings at the northeast corner of North Port Washington Road and West Silver Spring Drive. A map of the territory to be added to TID 8 by this Amendment #2 is attached hereto as EXHIBIT B.

A map of the entire TID 8 project area after adoption of this Amendment #2, together with the metes and bounds legal description of the area is attached as EXHIBIT C.

Proposed Improvements and Uses of Land Within the Project Area

The TID 8 project area is proposed to be redeveloped by repositioning the strongest brick and mortar retail tenants, by replacing some traditional retail tenants with restaurants, entertainment venues, non-traditional experiential retail tenants and by adding additional multi-family and nontraditional age residential uses. Proposed improvements and uses of
land within the redeveloped TID 8 project area are generally and preliminary depicted on
the general conceptual site plan attached hereto as EXHIBIT D.

Proposed Changes of Zoning Ordinances, Master Plan, Building Codes and City
Ordinances

The City Common Council adopted a resolution permitting the CDA to perform the
function of the Plan Commission for general planning and plan implementation purposes,
including tax incremental financing. It was resolved that the CDA be designated and
authorized to act as agent for the City in the development and creation of amendments to
TID 8.

No revisions of the Master Plan are required to implement the redevelopment
contemplated in this Amendment #2. All of the parcels within the amended TID 8 area
are zoned PD-Planned Development District. The PD-Planned Development District
zoning is consistent with the existing City Comprehensive Plan (Master Plan), calling for
retail, office and residential mixed land use throughout the subject area. The PD-Planned
Development District zoning will, in combination with an Amended and Restated
Development Agreement among the City the CDA and the primary property owner (the
“Development Agreement”), ensure development quality and uses that will be compatible
with the surrounding commercial and nearby residential neighborhoods.

Implementation of this Amendment #2 to the project plan will not require change or
modification to the City Building Codes or other City Ordinances. All proposed activities
will conform to and abide by existing codes and ordinances.

III. STATEMENT LISTING THE KIND, NUMBER AND LOCATION OF
PROPOSED PUBLIC WORKS OR IMPROVEMENTS

Project Public Works or Improvements Included Within the Project Plan

The project public works improvements may include, but are not limited to, street
improvements, including streetscape enhancements including benches, trash receptacles,
bicycle racks, and other amenities and features intended to encourage pedestrian access,
safety and enjoyment, as well as functional improvements of the street to address traffic
flow and safety. Also, improvements may be made to underground infrastructure
including water mains, sanitary sewers and storm sewers. In the past, the project also
included public works outside the district to the extent necessitated by the project plan,
including street amenities and related improvements including sanitary sewer, storm
sewer, and watermains.

Notwithstanding that public works and improvements have been funded with TID 8 tax
increment in the past, at this point, even public works and improvements facilitating
redevelopment should be funded consistent with the Development Agreement. Under the
Development Agreement, private developers front all redevelopment costs, but
redevelopment costs may be reimbursed to private developers on a pay-as-you-go basis
out of TID 8 tax increment.

IV. PROPOSED METHOD OF RELOCATION

Neither the City nor the CDA will be displacing any persons in connection with this Project Plan Amendment # 2.

V. DESCRIPTION OF TIMING AND METHODS OF FINANCING

In order to accomplish project goals and match expenditure streams with projected revenues, the City must have the ability to finance its desired project costs. Financial resources available to the City include general obligation notes and bonds, revenue bonds, community development authority bonds, special assessment bonds, and developer participation in debt service payments.

Financing under this Project Plan Amendment #2

While, in the past, the City and CDA incurred significant debt to fund TID 8 project costs, this Amendment #2 would change the financing of future project costs from debt issued by the City or the CDA to pay-as-you-go reimbursement to private developers for eligible project costs. The Development Agreement being considered together with this Amendment #2 contemplates that private developers will deposit cash into escrow to defease outstanding TID 8 debt (General Obligation debt, CDA lease revenue bond debt including the East Parking Structure debt) in the approximate amount of $56,600,000 and related interest cost for the outstanding debt (less reserves and escrows). The City and CDA also will apply the CDA lease revenue bond reserves and the TID 8 stabilization fund toward the defeasance of existing debt.

VI. ECONOMIC FEASIBILITY STUDY

Due to extreme economic obsolescence, the current appraised and assessed value of the parcels in TID 8 are:

<tbody>

</tr>
</tbody>
</table>

Total Valuation: $75,501,800

At these assessed values, parcels in TID 8 are now valued at their values when TID 8 was initially created in 2002, and almost NO tax increment is being generated. Accordingly, no TID 8 tax increment is being produced to retire the existing outstanding debt in the approximate amount of $56,600,000. Based on this circumstance, the City has requested that the Joint Review Board extend the life of TID 8 for an additional four years until 2033 consistent with Wis. Stat. sec. 66.1105(7)(am). Attached as EXHIBIT F is the
City’s request to extend the life of TID 8. Attached as EXHIBIT G is an independent audit that demonstrates that TID 8 is unable to pay off its project costs by 2029, the end of its original 27 year life of TID 8.

This Project Plan Amendment #2 incentivizes the current owners of Bayshore Town Center to deposit sufficient cash to defease the current municipal debt, as well as to attract additional equity and investment. Under the proposed Development Agreement, all new TID 8 tax increment will be made available as incentives to facilitate redevelopment of TID 8 properties.

Without these actions, additional investment within and redevelopment of TID 8 will not be feasible. With these actions, the anticipated assessed values could be restored to more than $200,000,000.

Tax Increment Revenues

Tax increment revenues are derived from increased value increment above the base value of TID 8 multiplied by the applicable total property tax rate. Tax increment revenue is projected as set forth in Table 2 below:

Economic Feasibility Conclusions for Amendment #2

Based on the aforementioned variables and assumptions, the TID 8 produces estimated total tax increment revenues in the amount of $36,749,310.

Current Project Plan Amendment #2 – It is concluded that the revitalization of TID 8 will not be feasible without the incentives identified in this Amendment #2 and the Development Agreement.

VII. SUMMARY OF FINDINGS

As required under Wis. Stat. sec. 66.1105(4) and as documented in this Amendment #2, the following findings are made:

1. The redevelopment contemplated in this Amendment #2 and in the Development Agreement is feasible and in conformity with the City’s comprehensive plan (or master plan).

2. “But for” this Amendment #2, the redevelopment projected to occur as detailed herein and in the Development Agreement would not occur. In reaching this determination, the City and CDA considered the significant outstanding debt of TID 8 and the decreased assessed values of the parcels in TID 8 which generate almost no tax increment.

3. The economic benefits of Amendment #2 more than compensate for the added project costs incurred. No expenditures occur at all unless and until tax increment is generated and payment to developers becomes due under the Development Agreement.

4. The benefits of the proposal outweigh the anticipated tax increments to be paid by the parcels in the overlying taxing jurisdictions. No tax increments will be generated but for this Amendment #2.

5. Not less than 50% of the real property within TID 8 remains blighted and adversely impacted by extreme economic obsolescence.

6. The actions contemplated in this Amendment #2 and in the Development Agreement relate directly to eliminating blight consistent with the purpose for which TID 8 was created.

7. The improvement of the area is likely to enhance significantly the value of all of the other real property in TID 8.
VIII. ATTORNEY’S OPINION

The opinion of the City’s Attorney advising that this Project Plan Amendment #2 is complete and complies with the applicable law is attached hereto as EXHIBIT H.

The effective date of adoption of any resolution approving this Project Plan Amendment #2 shall be after August 15, 2019 (the date on which Wis. Stat. sec. 70.57(lm) requires the Wisconsin Department of Revenue shall notify the City of its equalized value).

Kelly Galligan DiCapua, Managing Director and
Associate General Counsel
80 Pine Street, 8th Floor
New York, NY 10005

Dear Ms. Galligan:  

Re: Amendment to TID 8 Project Plan
Adding Territory

This letter responds to your inquiry as to whether the City of Glendale (the “City”) is able to amend the Project Plan of Tax Incremental District Number 8 (“TID 8”) to add approximately 7 acres at the northeast corner of North Port Washington Road and West Silver Spring Drive to TID 8. Amending TID 8 boundaries is an option per Wisconsin State Statutes.

I understand that your inquiry arises from the provision in Wis. Stat. Sec. 66.1105(4)(h) that a project plan amendment adding territory requires the same findings provided in Wis. Stat. sec. 66.1105(4)(gm)(4)(c). The key required finding is that “the equalized value of taxable property of the district plus the value increment of all existing districts does not exceed 12 percent of the total equalized value of taxable property within the City.”

According to the 2018 TIF Value Limitation Report published by the Wisconsin Department of Revenue (“DOR”), the City has been unable to make this required finding in the past because:

Total value increment of the City’s tax incremental districts (“TID’s”) was: $445,628,200;
Divided by a total equalized value of taxable property in the City of: $2,268,180,000;
Meaning that 19.65 percent ($445,628,200/2,268,180,000) of the City’s equalized value was in TIDs. 19.65 percent is obviously in excess of 12 percent.

The City is in the process of a City wide property value reassessment as of January 1, 2019. The Bayshore Mall parcel (tax parcel #1668991013) value is expected to be reduced from $310,000,000 in 2018 to $65,000,000 in 2019 consistent with the notice emailed to you on January 31, 2019. The Bayshore Mall parcel is included in both Tax Incremental District Number 6 (“TID 6”) and in TID 8. So, the reduced assessment of this parcel reduces the taxable value of the City in TIDs.

The City also has terminated TID 6. The termination of TID 6 means that the entire equalized value of TID 6 ($161,428,000 in 2018) is no longer in any TID.
Accordingly, the City will find, when reviewing the project plan amendment adding territory to TID 8, the City in 2019 is now under the 12 percent value limit in current TID districts.

The reassessment of the Bayshore Mall parcel and the closure of TID 6 allow the City easily to find that less than 12 percent of the equalized value of the City will be in TIDs even after 7 acres would be added to TID 8.

While both the equalized values of those commercial properties within TIDs and the City’s total equalized value may fluctuate somewhat due to the City-wide re-evaluation, it is not foreseeable, however, that this re-evaluation will have any material impact on the City’s 12 percent test finding.

Please feel free to contact me with any additional questions.

Sincerely,

FOR VALUE RECEIVED, the City of Glendale, Milwaukee County, Wisconsin (the "City"), promises to pay to Bayshore Shopping Center Property Owner LLC, a Delaware limited liability company (the "Developer") and/or in which or in part, any successor or assignee of Developer designated in writing by Developer, at any time and from time to time, through the Developer's payment receiving agent, ____________________ ("Payment Agent"), all “Available Tax Increment," actually received by the City by May 31 of the year (December 31 in the year 2033) plus any Available Tax Increment from prior calendar years received by the City by May 31 of the year, commencing with the year 2020 and extending through the end of the year 2033.

“Available Tax Increment” means an amount equal to the annual tax increment of Tax Incremental District No. 8, as amended (“TID 8”) and as defined in Wis. Stat. § 66.1105 (2)(m) (that amount obtained by multiplying the total county, city, school and other local general property taxes levied on all taxable property within TID 8 in a year, by a fraction having as a numerator the value increment as defined in Wis. Stat. § 66.1105(2)(i) for that year in TID 8 and as a denominator that year’s equalized value of all taxable property in TID 8).

This MRO shall be payable in installments due on the date any Available Tax Increment is received by the City commencing in 2020 and extending through 2033.

This MRO has been issued to finance projects within TID 8 and is payable only from the income and revenues herein described, which income and revenues will be or have been set aside as a special fund for that purpose and identified as the "Special Redemption Fund" provided for under the Resolution adopted on ________________ , 2019 by the Common Council of the City (the "Resolution"). This MRO is issued pursuant to the Resolution and pursuant to the terms
and conditions of the Amended and Restated Development Agreement for Bayshore Town Center, dated as of ______________, 2019 among the City, the City of Glendale Community Development Authority and the Developer ("Development Agreement"). This MRO does not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision. This MRO shall be payable solely from Available Tax Increment (as defined in the Development Agreement) appropriated by the Common Council to the payment of this MRO (the "Revenues"), including Available Tax Increment which shall be set aside in the Special Redemption Fund. Reference is hereby made to the Resolution and the Development Agreement for a more complete statement of the revenues from which and conditions and limitations under which this MRO is payable and the general covenants and provisions pursuant to which this MRO has been issued. The Resolution and Development Agreement are incorporated herein by this reference. Capitalized terms used in this MRO which are not defined in this MRO shall have the meaning attributable to such terms as set forth in the Development Agreement.

This MRO is a special, limited revenue obligation and not a general obligation of the City and is payable by the City only from the sources and subject to the qualifications stated, incorporated or referenced herein. This MRO is not a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of the principal of this MRO. Further, no property or other asset of the City, except the above-referenced Available Tax Increment, is or shall be a source of payment of the City's obligations hereunder.

This MRO is issued by the City pursuant to, and in full conformity with, the Constitution and laws of the State of Wisconsin.

Prior to Developer’s performance of its obligations under Section III(3) of the Development Agreement, this MRO may be transferred or assigned, in whole or in part, only with the consent of the City which shall not be unreasonably withheld, delayed or conditioned. Following Developer’s performance of its obligation under Section III(3) of the Development Agreement, this MRO may be transferred or assigned, in whole or in part, without the consent of the City. Each permitted transferee or assignee shall take this MRO subject to the foregoing conditions and subject to all provisions stated or referenced herein.

All disbursements from the Escrow Funds shall be made by wire transfer of immediately available funds to the party receiving the disbursement. Any wire transfers shall be made subject to, and in accordance with, the Escrow Agent’s normal electronic funds transfer procedures in effect from time to time. The Escrow Agent shall be entitled to rely upon all bank and account information provided to the Escrow Agent by the Parties. The Escrow Agent shall have no duty to verify or otherwise confirm any written wire transfer instructions but it may do so in its discretion on any occasion without incurring any liability to any of the Parties for failing to do so on any other occasion. To the extent any request for disbursement under this Section 1.4 is for an amount in excess of the Escrow Funds in the Escrow Account, at the time of such request, Escrow Agent shall disburse the total of the immediately available funds in the Escrow Account.

(b) Developer Directed Disbursements. (i) By August 16, 2019, if the DOR has failed to certify that the equalized value of Tax Incremental District No. 6, upon its closure in 2019, was approximately $161,428,000 (or otherwise sufficient so that the value increment of all tax incremental districts does not exceed 12 percent of the total equalized value of City taxable property), that the equalized assessed value of TID 8 as of January 1, 2019 was approximately $75,501,800 and that the value increment of all tax incremental districts does not exceed 12 percent of the total equalized value of City taxable property as of January 1, 2019, Developer may direct a disbursement of the Escrow Funds in the Preliminary Deposit Escrow Account by providing to Escrow Agent a "Developer Disbursement Direction" in form attached hereto as Exhibit C-1. Such Developer Disbursement Direction must be received by the Escrow Agent by 5:00 p.m. on August 19, 2019 to be effective, and the Developer may not direct any such disbursement on any date after August 19, 2019.

(ii) By September 1, 2019, if the Common Council of the City and Joint Review Board have not approved Project Plan Amendment #2 for TID 8 and caused such amendment to become effective, Developer may direct a disbursement of the Escrow Funds in the Preliminary Deposit Escrow Account by providing to Escrow Agent a "Developer Disbursement Direction" in form attached hereto as Exhibit C-1. The Developer may not direct any such disbursement at any time after the Common Council of the City and Joint Review Board have approved Project Plan Amendment #2 for TID 8 and caused such amendment to become effective.

(iii) Escrow Agent shall make any distribution made pursuant to this Section 1.4(b) as indicated on the applicable Developer Disbursement Direction within one (1) Business Day of receipt of the Developer Disbursement Direction, without further direction or consent of the City or Authority. “Business Day” means any day other than a Saturday, Sunday or other day on which commercial banks in Wisconsin are authorized or required by law to close. Any Developer directed disbursement made pursuant to this Section 1.4(b) shall be in the
amount of the Initial Escrow Deposit. Any interest or investment earnings earned on the Escrow Funds shall be disbursed to the City.

(c) City Directed Disbursement. At any time after August 20, 2019, if the Common Council of the City and Joint Review Board have approved Project Plan Amendment #2 for TID 8 and caused such amendment to become effective, City may, by providing to Escrow Agent a “City Disbursement Direction” in form attached hereto as Exhibit C-2, direct a disbursement of Escrow Funds in the Preliminary Deposit Escrow Account to an irrevocable escrow account (account number ______________) (the “Irrevocable Defeasance Escrow Account”) with the Escrow Agent, as the escrow agent pursuant to a Defeasance Escrow Agreement substantially in the form attached hereto as Exhibit D (the “Defeasance Escrow Agreement”) established for the TID 8 bonds. Escrow Agent shall make the disbursement as indicated in the City Disbursement Direction on the same Business Day of receipt of the City Disbursement Direction and shall advise the Parties when such disbursement has been completed. Funds in the Irrevocable Defeasance Escrow Account shall only be applied for transfer into the “City of Glendale/Community Development Authority of the City of Glendale TID No. 8 Bonds Defeasance Escrow Account” established pursuant to the Defeasance Escrow Agreement without the necessity of further direction or consent from any Party. Funds in the Irrevocable Defeasance Escrow Account shall under no circumstances be returned to the Developer, City or Authority, except upon the closing of the Defeasance Escrow Agreement, any portion of the Escrow Funds, including interest earnings or other income thereon, not needed to defease all TID 8 bonds shall be disbursed to the City.

Section 1.5. Income Tax Allocation and Reporting.

(a) The Parties agree that, for tax reporting purposes, all interest and other income from investment of the Escrow Funds (if any) shall, as of the end of each calendar year and to the extent required by the Internal Revenue Service, be reported as having been earned by the City, whether or not such income was disbursed during such calendar year.

(b) Prior to the establishment of the Preliminary Deposit Escrow Account and Irrevocable Defeasance Escrow Account (collectively, the “Escrow Account”), the Parties shall provide the Escrow Agent with certified tax identification numbers by furnishing appropriate forms W-9 or W-8 and such other forms and documents that the Escrow Agent may reasonably request. The Parties understand that if such tax reporting documentation is not provided and certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, to withhold a portion of any interest or other income earned on the investment of the Escrow Funds.

Section 1.6. Termination.

(a) This Escrow Agreement shall terminate upon the earliest to occur of the following: (i) at the election of Escrow Agent at any time that the balance of the Escrow Account has been zero dollars or less for a period of one hundred and twenty (120) days; (ii) two (2) Business Days following the closing of the Defeasance Escrow Agreement; (iii) such other date as indicated by the Parties jointly in writing; and (iv) October 31, 2019.
(b) When termination is accomplished by the joint notification of the Parties pursuant to Section 1.6(a)(iii) above, any such notification of termination to Escrow Agent must be accompanied by a disbursement direction executed by all the Parties directing the distribution of the entirety of any remaining Escrow Funds, at which time the Escrow Agent is authorized and directed to disburse any remaining Escrow Funds as directed by such instructions.

(c) When termination occurs under Section 1.6(a)(iv) above, any balance in the Escrow Account shall be disbursed as directed by Developer.

SECTION 2
DUTIES OF THE ESCROW AGENT

Section 2.1. Scope of Responsibility.

(a) Notwithstanding any provision to the contrary, the Escrow Agent is obligated only to perform the duties specifically set forth in this Escrow Agreement, which shall be deemed purely ministerial in nature. Under no circumstances will the Escrow Agent be deemed to be a fiduciary to any Party or any other person under this Escrow Agreement.

(b) Escrow Agent is under no duty to give the Escrow Funds held by it hereunder any greater degree of care than it gives its own similar property and shall not be required to invest any funds held hereunder except as expressly provided herein or agreed upon in writing by the Escrow Agent and the Parties.

(c) Escrow Agent is under no duty or obligation to advise any Party as to the wisdom in selling or retaining, or taking or refraining from any action, with respect to any securities, instruments or other property deposited hereunder, and further, is under no duty to ascertain the value, validity, genuineness or collectability of any security or other investment held by it or delivered to it, and makes no representation as to the value, validity, genuineness or the collectability of any security or other instrument held by or delivered to it.

Section 2.2. Attorneys and Agents. The Escrow Agent shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Escrow Agent in accordance with the advice of counsel or other professionals retained or consulted by the Escrow Agent regarding this Escrow Agreement, including in-house counsel. The Escrow Agent may perform any and all of its duties through its agents, representatives, attorneys, custodians, and/or nominees.

Section 2.3. Reliance. Attached hereto as Exhibit A-1 and Exhibit A-2 are the specimen signatures of the authorized representatives of Developer and City, respectively. The Escrow Agent shall not be liable for acting or refraining from acting upon directions substantially in the form(s) set forth in Exhibits C-1 through C-2 hereto in accordance with the terms of this Escrow Agreement, and any notice, request, consent, direction, requisition, certificate, order, affidavit, judgment, certification, demand, instrument, letter, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, without further inquiry into the person’s or persons’ authority.
SECTION 3
PROVISIONS CONCERNING THE ESCROW AGENT

Section 3.1. Indemnification. City shall indemnify, defend and hold harmless the Escrow Agent for, from and against any and all loss, liability, cost, damage and expense, including, without limitation, reasonable attorneys’ fees and expenses or other reasonable professional fees and expenses which the Escrow Agent may suffer or incur by reason of any action, claim or proceeding brought by or against the Escrow Agent arising out of or relating in any way to any act or omission of the City (including but not limited to any City Disbursement Direction or other instruction, demand or claim made by or on behalf of City), unless such loss, liability, cost, damage or expense shall have been finally adjudicated to have been directly caused by the willful misconduct or gross negligence of the Escrow Agent. Developer shall indemnify, defend and hold harmless the Escrow Agent for, from and against any and all loss, liability, cost, damage or expense, including, without limitation, reasonable attorneys’ fees and expenses or other reasonable professional fees and expenses which the Escrow Agent may suffer or incur by reason of any action, claim or proceeding brought by or against the Escrow Agent arising out of or relating in any way to any act or omission of Developer (including but not limited to any Developer Disbursement Direction or other instruction, demand or claim made by or on behalf of Developer), unless such loss, liability, cost, damage or expense shall have been finally adjudicated to have been directly caused by the willful misconduct or gross negligence of the Escrow Agent.

Section 3.2. Resignation or Removal. The Escrow Agent may resign by furnishing written notice of its resignation to the Parties, or the Parties may remove the Escrow Agent by furnishing to the Escrow Agent a joint written notice of its removal along with payment of all fees and expenses to which it is entitled through the date of termination. Such resignation or removal, as the case may be, shall be effective thirty (30) days after the delivery of such notice or upon the earlier appointment of a successor, and the Escrow Agent’s sole responsibility thereafter shall be to safely keep the Escrow Funds and to deliver the same to a successor escrow agent as shall be appointed by the Parties, as evidenced by a joint written notice from the Parties to the Escrow Agent or in accordance with a court order; provided that Escrow Agent shall not be required to deliver any Escrow Funds to a successor escrow agent. If the Parties have failed to appoint a successor escrow agent prior to the expiration of thirty (30) days following the delivery of such notice of resignation or removal, the Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief, and may interplead the Escrow Funds. Upon such resignation or removal, and upon the distribution of all Escrow Funds by either transferring such to a successor escrow agent or by depositing the Escrow Funds into the custody of the court where such interpleader action was filed, the Escrow Agent shall be relieved of all ongoing liability as to the Escrow Funds and all duties and obligations under this Escrow Agreement, and, to the extent applicable, shall be entitled to recover attorneys’ fees, expenses and other costs incurred in commencing and maintaining any such interpleader action from the Parties jointly and severally. To the extent a successor escrow agent is directed by court order, any such resulting appointment shall be binding upon the Parties.

Section 3.3. Compensation. The Escrow Agent shall be entitled to compensation for its services as stated in the fee schedule attached hereto as Exhibit B, which compensation shall be paid by Developer pursuant to the terms of the Development Agreement. The fee agreed upon
for the services rendered hereunder is intended as full compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; provided, however, that in the event that the conditions for the disbursement of funds under this Escrow Agreement are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement, or any material modification hereof, or if any material controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Escrow Agent shall be compensated for such extraordinary services and reimbursed for all costs and expenses, including reasonable attorneys’ fees and expenses, occasioned by any such delay, controversy, litigation or event, from the Party responsible for causing such delay, controversy, litigation or event.

Section 3.4. Disagreements. If any conflict, disagreement or dispute arises between, among, or involving either of the Parties hereto and/or the Escrow Agent concerning the meaning or validity of any provision hereunder or concerning any other matter relating to this Escrow Agreement, and such conflict, disagreement or dispute is not resolved, or the Escrow Agent is in doubt as to the action to be taken hereunder, the Escrow Agent may, at its option, retain the Escrow Funds until the Escrow Agent (a) receives a final, non-appealable order of a court of competent jurisdiction or a final non-appealable arbitration decision directing delivery of the Escrow Funds, in which event the Escrow Agent shall be authorized to disburse the Escrow Funds in accordance with such final court order or arbitration decision without further question, inquiry, or consent, (b) receives a written agreement executed by each of the Parties involved in such disagreement or dispute directing delivery of the Escrow Funds, which written agreement resolves such conflict, disagreement, or dispute as determined by Escrow Agent in its sole and absolute discretion, in which event the Escrow Agent shall be authorized to disburse the Escrow Funds in accordance with such agreement without further question, inquiry, or consent, or (c) files an interpleader action in any court of competent jurisdiction, and upon the filing thereof and depositing the Escrow Funds into the court’s custody, the Escrow Agent shall be relieved of all ongoing liability as to the Escrow Funds and all duties and obligations under this Escrow Agreement.

SECTION 4
MISCELLANEOUS

Section 4.1. Successors and Assigns. This Escrow Agreement shall be binding on and inure to the benefit of the Parties and the Escrow Agent and their respective successors and permitted assigns. No other persons shall have any rights under this Escrow Agreement. No assignment of the interest of any of the Parties shall be binding unless and until written notice of such assignment shall be delivered to the other Party and the Escrow Agent and shall require the prior written consent of the other Parties and the Escrow Agent, such consent not to be unreasonably withheld. Escrow Agent shall not assign or transfer any of its rights or obligations under this Escrow Agreement without the prior written consent of each of the Parties, such consents not to be unreasonably withheld. Except as otherwise set forth herein, as between Developer, City and the Authority, this Agreement does not create any new rights as to Developer, City or Authority, nor does it change any of Developer’s, City’s or Authority’s obligations pursuant to the Development Agreement.
Section 4.2. Notices. All notices, requests, demands, and other communications required under this Escrow Agreement shall be in writing, in English, and shall be deemed to have been duly given if delivered (a) personally, (b) by electronic mail with a copy sent via mail or overnight delivery, (c) by overnight delivery with a reputable national overnight delivery service, or (d) by mail or by certified mail, return receipt requested, and postage prepaid. If any notice is mailed, it shall be deemed given five (5) Business Days after the date such notice is deposited in the United States mail. If notice is given to a party, it shall be given at the address for such party set forth below. It shall be the responsibility of the Parties to notify the Escrow Agent and the other Parties in writing of any name or address changes. In the case of communications delivered to the Escrow Agent, such communications shall be deemed to have been given on the date received by the Escrow Agent.

SECURING CERTAIN OUTSTANDING OBLIGATIONS
OF THE CITY OF GLENDALE,
MILWAUKEE COUNTY, WISCONSIN
AND
COMMUNITY DEVELOPMENT AUTHORITY OF THE CITY OF GLENDALE,
MILWAUKEE COUNTY, WISCONSIN
THIS DEFEASANCE ESCROW AGREEMENT is made and entered into as of August 29, 2019 by and among the City of Glendale, Wisconsin, a Wisconsin municipal corporation (the "City"), the Community Development Authority of the City of Glendale, Wisconsin, a Wisconsin municipal corporation (the "Authority") and Associated Trust Company, National Association, Green Bay, Wisconsin, a national banking association with trust powers (the "Escrow Agent").

RECITALS

The City has duly issued its Taxable General Obligation Refunding Bonds, Series 2012A, dated April 4, 2012 (the "2012 Bonds"), in part for the purpose of providing financing for project costs of the City's Tax Incremental District No. 8 ("TID No. 8").

There are presently available certain debt service funds, stabilization funds and reserve account funds on hand of the City and Authority (collectively, the "Issuer's Funds"), which when added to funds provided to the City by Bayshore Shopping Center Property Owner LLC, a Delaware limited liability company (the "Developer") (the "Developer's Funds"), are in an amount that is equal to the amount which, when invested as provided herein, will be required to pay the principal of and interest on all of the outstanding 2014 Bonds, 2015A Bonds, 2015B Bonds and 2017 Bonds (collectively, the "Authority Defeased Obligations") (the totality of said transaction is referred to herein as the "Defeasance"). The Defeased Obligations are more fully described on Exhibit A-1 through Exhibit A-5 hereto.

To accomplish the Defeasance, the Escrow Agent has been appointed trustee and custodian of the Issuer’s Funds and Developer's Funds until the Defeased Obligations are paid in full.
The execution of this Agreement has been duly authorized by resolutions of the Common Council of the City and of the governing body of the Authority (collectively, the "Resolutions") adopted on July 22, 2019.

In consideration of the mutual covenants contained herein, the parties hereto covenant and agree as follows for the equal and proportionate benefit and security of the holders of the Defeased Obligations:

1. Escrow Deposit. Concurrently with the execution of this Agreement, the City and Authority have irrevocably deposited with the Escrow Agent, receipt of which is hereby acknowledged by the Escrow Agent, $__________ of Issuer's Funds, and City has caused Developer to irrevocably deposit with the Escrow Agent, receipt of which is hereby acknowledged by the Escrow Agent, $__________ of Developer's Funds, for a total of $____________.

The foregoing, along with earnings and interest thereon, shall be held and disposed of by the Escrow Agent only in accordance with this Agreement. The City represents and warrants that the foregoing, if held, invested and disposed of by the Escrow Agent in accordance with this Agreement, will be sufficient, without the need for any further investment or reinvestment, to make all payments required under this Agreement. The Escrow Agent has not determined and is under no obligation to determine whether the amounts deposited hereunder are or will be sufficient to make all of the payments directed to be made hereunder.

2. Acceptance of Escrow. The Escrow Agent acknowledges receipt of the escrow deposit hereunder and accepts the responsibilities imposed on it by this Agreement.

3. Application of Escrow Deposit. There is hereby created by the City and Authority and ordered established with the Escrow Agent an account hereby designated, "City of Glendale/Community Development Authority of the City of Glendale TID No. 8 Bonds Defeasance Escrow Account" (the "Escrow Account").

The Escrow Agent shall deposit the amount described above in the Escrow Account to be used as follows:

a) $______ to be used to purchase $__________ aggregate principal amount of United States Government Securities (the "Securities"), described on the attached Exhibit B-1;

b) $_____ to be used to establish a beginning cash balance in the Escrow Account; and

c) $______ to be used to pay the Defeasance Expenses set forth on the attached Exhibit C-1, which the Escrow Agent is hereby authorized to pay.

Except as set forth in Section 8 hereof, the Escrow Account (other than the cash held pursuant to subsection (b) above) shall remain invested in the Securities, and the Escrow Agent shall not sell or otherwise dispose of the Securities.
In addition to the foregoing, the Escrow Agent is hereby directed to reinvest excess investment proceeds accruing on the dates listed under the heading "Reinvestment Date" in United States Treasury Certificates of Indebtedness, Notes and/or Bonds - State and Local Government Series ("SLGs") as follows:

The Escrow Agent is hereby directed to submit the subscription for these SLGs on behalf of the City and Authority, as applicable, at least seven (7) days in advance of the date of reinvestment (or such other period of time in advance of the date of reinvestment as is then required by law or regulation) and such subscription shall be in accordance with then applicable law and regulations. The City and Authority, as applicable, will cooperate with the Escrow Agent as necessary to allow any subscriptions to be made as described herein.

If SLGs with an interest rate of 0.00% are not available at the time such Escrow Account monies are to be reinvested, the Escrow Agent is hereby directed to reinvest such Escrow Account monies on behalf of the City and Authority, as applicable, in direct obligations of the United States of America ("U.S. Government Obligations"), or hold such monies uninvested, as directed by the City, upon the Escrow Agent's receipt, at the expense of the City, of (i) with respect to any tax-exempt Defeased Obligations, an opinion of the bond counsel for the Defeased Obligations or other nationally recognized firm of attorneys experienced in the area of municipal finance to the effect that such transaction would not cause any of the Defeased Obligations to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the income tax regulations thereunder (the "Regulations") and (ii) a certification from an independent certified public accountant that, after such transaction, the principal and interest on the U.S. Government Obligations in the Escrow Account will, together with other monies in the Escrow Account available for such purposes, be sufficient at all times to pay, when due, the principal and interest on the Defeased Obligations.

The Escrow Account cash flow (taking into account any reinvestments) prepared by the Accountant defined below is set forth on Exhibit D-1.

Except for the foregoing or as set forth in Section 8 hereof, no reinvestment of amounts on deposit in the Escrow Account shall be permitted.

The Escrow Agent shall apply the monies in the Escrow Account to the payment of the Defeased Obligations in the amounts set forth on the attached Exhibit A-1, A-2, A-3, A-4 and A-5 by depositing such amounts with The Depository Trust Company on or before the dates such amounts are due.

Causey Demgen & Moore P.C., a firm of independent accountants (the "Accountant"), has delivered to the City, the Authority, the Developer, the Escrow Agent, Robert W. Baird & Co. Incorporated, and Quarles & Brady LLP, for their purposes, a report stating that the firm has
reviewed the arithmetical accuracy of certain computations based on assumptions relating to the sufficiency of forecasted net cash flow from the United States government securities (paragraph (a) above) and any initial cash deposit (paragraph (b) above) to pay the principal of and interest on the Defeased Obligations when due as described on Exhibit A-1, A-2, A-3, A-4 and A-5. Based upon the summarized data presented in its report and the assumption that the principal and interest payments on the United States government securities are deposited in the Escrow Account when due, in its opinion, the proceeds from the United States government securities, plus any initial cash deposit, will be sufficient for the timely payment of principal and interest, when due, on the Defeased Obligations.

If at any time it shall appear to the Escrow Agent that the money in the Escrow Account will not be sufficient to make any required payments due to the holders of the Defeased Obligations, the Escrow Agent shall immediately notify the City. Upon receipt of such notice, the City shall forthwith transmit to the Escrow Agent for deposit in the Escrow Account from legally available funds such additional monies as may be required to make any such payment.

5. Notice of Defeasance of the Defeased Obligations. The Escrow Agent is hereby directed and agrees within ten business days after the closing of this Agreement to provide Notices, in substantially the forms attached hereto as Exhibit F-1 through F-5, to the registered owners of the Defeased Obligations, and to any other parties as described in Exhibit F-1 through F-5. In addition, the Notices shall be filed electronically with the MSRB through the Electronic Municipal Market Access (EMMA) System website at www.emma.msrb.org.

6. The Escrow Agent.

a) Annual Report. The Escrow Agent shall, in the month of February of each year while this Agreement is in effect, and as soon as practicable after termination of this Agreement, forward by first class mail to the City a report of the receipts, income, investments, reinvestments, redemptions and payments of and from the Escrow Account during the preceding calendar year, including in such report a statement, as of the end of the preceding calendar year, regarding the manner in which it has carried out the requirements of this Agreement. The City shall have the right, at any time during business hours, to examine all of the Escrow Agent's records regarding the status and details of the Escrow Account.

b) Separate Funds; Accountability. Except as otherwise permitted under Section 3 hereof, the Escrow Agent shall keep all monies, securities and other properties deposited hereunder, all investments and all interest thereon and profits therefrom, at all times in a special fund and separate trust account, wholly segregated from all other funds and securities on deposit with it; shall never commingle such deposits, investments and proceeds with other funds or securities of the Escrow Agent; and shall never at any time use, pledge, loan or borrow the same
in any way. The fund established hereunder shall be held separately and distinctly and not commingled with any other such fund. Nothing herein contained shall be construed as requiring the Escrow Agent to keep the identical monies, or any part thereof, received from or for the Escrow Account, on hand, but monies of an equal amount shall always be maintained on hand as funds held by the Escrow Agent, belonging to the City, and a special account thereof, evidencing such fact, shall at all times be maintained on the books of the Escrow Agent. All uninvested money held at any time in the Escrow Account shall be continuously secured by the deposit in a Federal Reserve Bank or direct obligations of the United States of America in a principal amount always not less than the total amount of uninvested money in the Escrow Account. It is understood and agreed that the responsibility of the Escrow Agent under this Agreement is limited to the safekeeping and segregation of the monies and securities deposited with it for the Escrow Account, and the collection of and accounting for the principal and interest payable with respect thereto.

In the event the Escrow Agent due to any action or inaction required hereunder is unable or fails to account for any property held hereunder, such property shall be and remain the property of the City. Property held by the Escrow Agent hereunder shall not be deemed to be a banking deposit of the City to the extent that the Escrow Agent shall have no right or title with respect thereto (including any right of set-off) and the City shall have no right of withdrawal thereof.

c) Liability. The Escrow Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the City or Authority or any paying agent of any of its obligations, or to protect any of the City's or Authority's rights under any bond proceeding or any of the City's or Authority's other contracts with or franchises or privileges from any state, county, municipality or other governmental agency or with any person. The Escrow Agent shall not be liable for any act done or step taken or omitted by it, as escrow agent, or for any mistake of fact or law, or for anything which it may do or refrain from doing in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this Agreement, except for its negligence or its willful misconduct. The Escrow Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein, including without limitation those as to the sufficiency of the trust deposit to accomplish the purposes hereof or of the City or Authority or in any proceedings taken in connection therewith, but they are made solely by the City or Authority.

d) Resignations; Successor Escrow Agent. The Escrow Agent may at any time resign by giving not less than 60 days written notice to the City. Upon giving such notice of resignation, the resigning Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor escrow agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribes, appoint a successor escrow agent of comparable qualifications to those of the resigning Escrow Agent. The resignation of the Escrow Agent shall take effect only upon the appointment of a successor escrow agent and such successor escrow agent's acceptance of such appointment.

Any successor escrow agent shall be a state or national bank, have full banking and trust powers, and have a combined capital and surplus of at least $5,000,000.
Any successor escrow agent shall execute, acknowledge and deliver to the City and Authority and to its predecessor escrow agent an instrument accepting such appointment hereunder, and thereupon the resignation of the predecessor escrow agent shall become effective and such successor escrow agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as escrow agent herein; but nevertheless, on written request of the City or on the request of the successor escrow agent, the escrow agent ceasing to act shall execute and deliver an instrument transferring to such successor escrow agent, upon the terms herein expressed, all the rights, power, and duties of the escrow agent so ceasing to act. Upon the request of any such successor escrow agent, the City and Authority shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor escrow agent all such rights, powers and duties. Any predecessor escrow agent shall pay over to its successor escrow agent a proportional part of the Escrow Agent's fee hereunder.

e) Fees. The Escrow Agent acknowledges receipt of the sum of ________________ DOLLARS ($________) as and for full compensation for all services to be performed by it as the Escrow Agent under this Agreement. Any out-of-pocket expenses including legal fees and publication costs will be paid by the City as incurred. The Escrow Agent expressly waives any lien upon or claim against the monies and investments in the Escrow Account.

7. Arbitrage in Connection With 2014 Bonds and 2015A Bonds. The City and Authority have covenanted and agreed and the Escrow Agent hereby covenants and agrees, to the extent any action is within its control and to its knowledge, to and for the benefit of the holders of the 2014 Bonds or 2015A Bonds, that no investment of the monies on deposit in the Escrow Account will be made in a manner that would cause the 2014 Bonds or 2015A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") or any Regulations promulgated or proposed thereunder (the "Regulations").

In order to ensure continuing compliance with Section 148 of the Code and the Regulations, the Escrow Agent agrees that it will not invest the cash balance nor reinvest any cash received in payment of the principal of and interest on the federal securities held in the Escrow Account nor redeem such federal securities except as specifically provided in Section 1 hereof. Said prohibition on reinvestment shall continue unless and until the City requests that such reinvestment be made and shall be restricted to noncallable direct obligations of the United States Treasury. Prior to any such request for reinvestment of the proceeds from the federal securities held in the Escrow Account, the City shall provide to the Escrow Agent: (i) an opinion by an independent certified public accounting firm that after such reinvestment the principal amount of the substituted securities, together with the earnings thereon and other available monies, will be sufficient to pay, as the same become due, any required interest payments on the Defeased Obligations and all principal of, redemption premium where required, and interest on the Defeased Obligations which have not then previously been paid, and (ii) with respect to the 2014 Bonds and 2015A Bonds, an unqualified opinion of nationally recognized bond counsel to the effect that (a) such reinvestment will not cause the Defeased Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations in effect thereunder on the date of such reinvestment, and (b) such reinvestment complies with the Constitution and
laws of the State of Wisconsin and the provisions of all relevant documents relating to the issuance of the respective Defeased Obligations.

8. **Substitute Investments.** At the written request of the City and upon compliance with the conditions hereinafter stated, the Escrow Agent shall have the power to request the redemption of the Securities and to substitute direct obligations of, or obligations which are unconditionally guaranteed by, the United States of America, which are not subject to redemption prior to maturity and which are available for purchase with the proceeds derived from the disposition of the Securities on the date of such transaction. The Escrow Agent shall purchase such substitute obligations with the proceeds derived from the sale, transfer, disposition or redemption of the Securities. The transactions may be effected only by simultaneous sale and purchase transactions, and only if (i) the amounts and dates on which the anticipated transfers from the Escrow Account to the fiscal agent or depository for the payment of the principal of and interest on the Defeased Obligations will not be diminished or postponed thereby, (ii) the Escrow Agent shall receive, at the expense of the City, an opinion of a nationally recognized firm of attorneys experienced in the area of municipal finance to the effect that such disposition and substitution would not cause any 2014 Bonds or 2015A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations thereunder; and (iii) the Escrow Agent shall receive, at the expense of the City, a certification from an independent certified public accountant that, after such transaction, the principal of and interest on the U.S. government obligations in the Escrow Account will, together with other monies in the Escrow Account available for such purpose, be sufficient at all times to pay, when due, the principal of, redemption premium, where required, and interest on the Defeased Obligations.

The City hereby covenants that no part of the monies or funds at any time in the Escrow Account shall be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any 2014 Bonds or 2015A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations thereunder.

9. **Miscellaneous.**

   a) **Third Party Beneficiaries.** This Agreement has been entered into by the City, the Authority, and the Escrow Agent for the benefit of the holders of the Defeased Obligations, and is not revocable by the City, the Authority, or the Escrow Agent, and the investments and other funds deposited in the Escrow Account and all income therefrom have been irrevocably appropriated for the payment and any redemption of the Defeased Obligations and interest thereon when due, in accordance with this Agreement. This Agreement shall be binding upon and shall inure to the benefit of the City, the Authority, and the Escrow Agent and their respective successors and assigns. In addition, this Agreement shall constitute a third party beneficiary contract for the benefit of the owners of the Defeased Obligations and Developer. Said third party beneficiaries shall be entitled to enforce performance and observance by the City, the Authority, and the Escrow Agent of the respective agreements and covenants herein contained as fully and completely as if said third party beneficiaries were parties hereto.

   b) **Severability.** If any section, paragraph, clause or provision of this Agreement shall be invalid or ineffective for any reason, the remainder of this Agreement shall remain in
full force and effect, it being expressly hereby agreed that the remainder of this Agreement would have been entered into by the parties hereto notwithstanding any such invalidity.

c) **Termination.** This Agreement shall terminate upon the payment of all of the principal of and interest on the Defeased Obligations. The parties realize that some of the amounts hereunder may remain upon termination. Any amounts remaining upon termination shall be returned to the City. Termination of this Agreement shall not, of itself, have any effect on the obligation of the City or Authority, as applicable, to pay the Defeased Obligations.

d) **Indemnification.** The City agrees to hold the Escrow Agent harmless and, to indemnify the Escrow Agent against any loss, liability, expenses (including attorney's fees and expenses), claims, or demand arising out of or in connection with the performance of its obligations in accordance with the provisions of this Agreement, except for gross negligence or willful misconduct of the Escrow Agent. The foregoing indemnities in this paragraph shall survive the resignation or removal of the Escrow Agent or the termination of the Agreement.

e) **Governing Law.** This Escrow Agreement shall be construed, interpreted and governed by and under the laws of the State of Wisconsin.

f) **Execution in Counterparts.** This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their duly authorized officers on the date first above written.
