CITY HALL

Office Reconstruction

Glendale City Hall (Clerk, Treasurer & Administration) has been relocated to the Municipal Court entrance of the building next to the Police Station entrance. Payment of water and tax bills and other city functions can be done at this facility.

Common Council, Plan Commission and other City meetings will be held in the David Hobbs Honda for the People Community Room at the Richard E. Maslowski Community Park, 2200 W. Bender Rd.

The main entrance to City Services is also closed. The temporary entrance will be on the south side of the building. Parking is available in the city lot on Glen Park Road next to the Glendale Little League fields.

2019 Polling Locations
As of 2019 the City of Glendale will have only 3 polling locations.

- District 1 and District 3 - Cardinal Stritch University
  6801 N. Yates Rd.

- District 2 and District 6 - Richard E. Maslowski Community Park
  2200 W. Bender Rd.

- District 4 and District 5 - Good Hope School
  2315 W. Good Hope Rd.

Please go to myvote.wi.gov or call (414) 228-1718 to verify your district.
Online Payments

Utility Bills can now be paid online.

Please visit https://www.payment servicenetwork.com

For new user registration enter:
- Business Name: Glendale
- Business City: Glendale
- Business State: WI
- Choose Business ID #RT24698 register for water bill payments

Please enter account number with dashes.

2019 Elections

Spring Primary Tuesday, February 19, 2019
7:00 AM - 8:00 PM

Spring Election Tuesday, April 2, 2019
7:00 AM - 8:00 PM

Offices Include
- Justice of the Supreme Court
- Milwaukee County Circuit Court Judge Branch 11, 26, 36, 40, 41
- Glendale Aldermanic Districts 1, 3 and 5

Visit the City of Glendale website for more information, or visit myvote.wi.gov to:
- Register to Vote
- Preview Sample Ballots
- Request an Absentee Ballot
- Check Voter Registration Status
- Find Your Polling Location
- Track your Absentee Ballot
- Update Your Name or Address

Interested in Running for Office?
Nomination papers for Non-Partisan Office (EL-169) containing sufficient signatures for the office sought must be filed, along with the Campaign Registration Statement (ETHCF-1), and Declaration of Candidacy (EL-162). Nomination papers may not be circulated before December 1 in the year before the Spring Election.

Please visit the City Clerk section of our website to download a Candidate Packet, or reach out to the City Clerk at M.Etzel@glendale-wi.gov for more information.

ATTENTION PROPERTY OWNERS

Got a project?

Check with the City Building Inspections Department first to see if you need a permit.

PERMITS ARE REQUIRED FOR MOST PROJECTS.

If you have hired a contractor to complete your project, always ask for a copy of the respective permit.

As a property owner, you may be responsible for all permits and fees.

It doesn’t matter how small the project, it’s always best to check with the City Building Inspection Department.

CALL (414) 228-1708
Disposal of Large, Bulky or Non-Household Waste

Disposal of large furniture, mattresses, etc. is done by Advanced Disposal Services (ADS) by special collection on Mondays ONLY. Residents must call ADS at (262) 679-0860 to schedule a special pick-up for all large, bulky or non-household waste.

Special pick-ups must be scheduled at least a week in advance of the scheduled Monday collection.

Items may be placed at the curb on the night PRIOR to the Monday collection ONLY.

Items must be neatly piled or placed in containers to facilitate collection. All collections are done by hand so your consideration for the workers is appreciated.

Collection of Refuse

Per City of Glendale Ordinance 8.3.6, all garbage carts shall be placed at the curbside collection point only after 4:00 p.m. on the evening prior to the regular collection time, and then all refuse carts must be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

Like the City on Facebook!
For up to date info. on emergencies, events, & City business, follow the City of Glendale on Facebook!
PROPERTY TAX COLLECTION PROCEDURE

Property tax bills will be mailed in early December. The bill that you receive will have bar coded payment stubs to assist in processing. You should retain this copy of the tax bill for your records, and return only the bar coded payment stub(s) with your payment(s).

Full payments are due January 31, 2019. Optional installment payments are due January 31, March 31, and May 31, 2019 respectively. Special assessments and special charges are not eligible for the installment plan and are due January 31, 2019 along with the first installment. We recommend that you mark your calendar so that you are not late for any installment payment. No reminder notices will be sent.

Mail payments are encouraged. This is an efficient collection process and it may be more convenient during City Hall remodeling. Please note that the postmark governs the date of payment -- not the date on your check -- and it must be received on or before 5 working days from the due date.

We do not automatically mail receipts. You may enclose a self-addressed stamped envelope for a mailed receipt, or you can obtain tax details (a form of receipt) and duplicate tax bills online at: http://www.glendale-wi.org. Payments will appear on this website the day after they are posted.

Payments will be accepted at City Hall Monday through Friday from 8:00 a.m. to 4:30 p.m., with the following holiday closures: December 24, 25 & 31, 2018 and January 1, 2019.

We will not have a permanent night drop box during City Hall remodeling, but after hour payments may be dropped off in a sealed envelope at the Police Department Lobby. Payments left before midnight on December 31st will be dated December 31st.

A credit card payment option is available for in-person payments only. Note that there is an additional fee of 2.6% of the payment amount.

All payments made on or before the due date, as well as any delinquent real estate tax payments made through July 31st, should be made payable to "Treasurer, City of Glendale." Delinquent real estate tax payments after July 31st are to be sent to the Milwaukee County Treasurer. If you have an escrow account, it is your responsibility to contact your lending institution (if necessary) to make arrangements for the payment of taxes, or to provide them with a copy of the tax bill. If you are paying with an escrow check, remember that ALL individuals listed as co-payees must endorse the check. If your check exceeds the total amount of tax due, a refund check will be mailed to you in approximately 10 business days.

The tax levy is established by the State of Wisconsin, Milwaukee County, City of Glendale, Glendale/River Hills or Maple Dale/Indian Hills School Districts, Milwaukee Area Technical College, and the Milwaukee Metropolitan Sewerage District to cover their own expenses. Your City tax is the only amount controlled by the City of Glendale. Questions should be directed to each of the taxing jurisdictions regarding their own taxes:

- Glendale/River Hills School ............... (414) 351-7170
- Maple Dale/Indian Hill School .............. (414) 351-7380
- Milwaukee County ......................... (414) 278-4222
- Milw. Metro Sewerage District ............ (414) 272-5300
- Milw. Area Technical College ............. (414) 297-6282
- Nicolet High School District .............. (414) 351-1700
- City of Glendale ......................... (414) 228-1701

Refrigerant Depot
5311 South 9th Street
Milwaukee, WI 53221
(414) 627-1152

Email: info@appliancerecycling.net
Website: www.appliancerecycling.net

Facility Hours: Appliance Drop Off:
Monday - Friday 8:00 a.m. - 4:00 p.m.

City residents may drop off large or small appliances by contacting Refrigerant Depot, Inc.
City of Glendale residents may dispose of cardboard by placing it in the compactor dumpster just inside the south gate of the Public Works (PW) yard located on 5930 N. Glen Park Rd. Flatten the cardboard before placing it in the dumpster. Please do not include styrofoam.

The gates to the PW yard are open from 7 a.m. to 3 p.m. Monday through Friday. For curbside pick up of cardboard, all cardboard must be cut to fit inside the recycling cart.

Sanitary Sewer Backup

If you experience a basement sanitary sewer backup after hours or on weekends, please call the Glendale Police Department non-emergency number at 228-1753. The Police Department will contact a Public Works employee to investigate the problem.

Richard E. Maslowski Community Park Rentals

Areas of Richard E. Maslowski Community Park are now available for rental. There are three (3) locations that are available to rent: the David Hobbs Honda for the People Community Room, Johnson Controls Community Amphitheater, and Sprecher Brewing Outdoor Oasis Beer Garden Patio.

If you are interested in renting an available area, please visit the City of Glendale’s website at www.glendale-wi.org/parkrentals or contact City Hall at (414) 228-1705.
Residential Recreational Vehicles
The City of Glendale reminds residents that recreational vehicles, including boats, cannot be parked on the frontage of your property. For additional information, please refer to the City Ordinance Section 10.140 on our website at: http://www.glendale-wi.org/199/code-of-ordinances

Electronic Device Program
Residents can bring electronic devices to the Department of Public Works to recycle. Drop off hours are from 8:00 a.m.-3:00 p.m., Monday-Friday. Please note, there is a $40 charge for TVs and Monitors. For more information, please refer to the following websites:

www.glendale-wi.org/261/electronic-recycling-program

http://dnr.wi.gov/ecyclewisconsin

Importance of Recycling
In 2017 1,044 tons of recycling and 2,650 tons of refuse were collected in the City of Glendale. In 2016 1,200 tons of recycling and 2,578 tons of refuse were collected. The City receives a credit for the tons of recycling collected.

The more recycling tons go up and refuse tons go down, the more money saved by the City!

You can view a list of acceptable recycling items below. Refer to pages 11-12 to view your pick up day. Residents can drop off acceptable electronics at the City of Glendale Department of Public Works. Residents may also drop off any acceptable appliances at Refrigerant Depot.

Acceptable Items:
- Plastics (#1 - #7)
- Envelopes
- Cereal/Detergent boxes
- Computer paper
- File folders
- Junk mail
- Magazines/Telephone books
- Newspapers
- Sticky notes
- Aluminum/Steel/Tin cans
- Alcohol bottles
- Food/Glass jars
- Soda/Juice bottles
- Ketchup bottles
- Paper milk/juice cartons
- Cardboard and paper bags

Unacceptable Items:
- Auto/Mirror or tinted glass
- Carbon paper
- Carpeting
- Batteries
- Hazardous waste (contact MMSD)
- Disposable diapers
- Light bulbs
- Metal or Steel objects (nails, hanger)
- Pizza Boxes
- Wax coated products
- Rubber material
- Paper towels/napkins or facial tissue

As a reminder, residents should place garbage carts at a safe distance up the driveway during snow season so the carts are not hit by snowplows or snow load from the plows during plowing operations. Any garbage carts that are placed in the road may be hit and it will be the responsibility of the homeowner to replace if damaged.
Glendale Veteran's Memorial Name Submission

All military veterans of the City of Glendale are invited to submit their names for the Veteran's Memorial located at the Richard E. Maslowski Community Park, 2200 W. Bender Road.

Engraving of names will take place once a year. Names will be added prior to Memorial Day every year weather permitting. The deadline to have your name added in 2019 is Friday, March 29, 2019. For more information, please contact Anna at the Glendale City Hall (414) 228-1705. Space is limited.

Bring your hazardous waste, such as pesticides, solvents, automotive fluids, and other potentially harmful chemicals to permanent collection facilities listed below. A list of acceptable items and additional mobile collection sites are available at www.mmisd.com. Please call (414) 225-2066 for dates & hours of operation.

Permanent Collection Facilities:
- W124 N9461 Boundary Road (124th St.), Menomonee Falls
- 10518 S. 124th St., Franklin
- 3879 W. Lincoln Ave., Milwaukee

Snow Removal Procedures

Based upon the expected snowfall this season, we wish to remind you of the City’s long-standing snow removal and salting policy.

Normally, the City does not plow streets unless the total accumulation of snow is 3 or more inches. Anything less is typically covered by salting operations.

Salting operations commence generally at the request of the Police Department or at the determination of the Public Works Director based upon weather conditions.

Major thoroughfares have first priority. The City does not have a ‘bare street’ program for residential areas. In other words, for residential streets, salting is typically reserved for intersections, hill, mid-blocks and curved roadways.

As much as many people would like, it is impossible for the City to schedule snow removal times to coincide with their respective snow shoveling or snow removal from their driveways. Plowing streets inevitably will put snow on property owner’s driveway approaches. There is no other way to plow snow.

If possible, all major thoroughfares will be plowed and salted by morning. Residential side streets will not be completed until the major streets are completed.

As a reminder, the City does not plow or maintain County or State highways located within Glendale. Those streets include North Green Bay Avenue north of West Good Hope Road, West Good Hope Road from North Port Washington Road west to the City limits, West Mill Road, North Milwaukee River Parkway and North Port Washington Road from West Daphne Road north to the City limits.

The City’s 11-person Public Works Department will do all that is humanly possible to clear all City streets in a timely fashion. All snow plowing, with the exception of alleys, is done by Public Works employees.

Property owners who have sidewalks will receive a reminder notice of their responsibility to remove snow and ice from their sidewalks if not shoveled within 24 hours.

Please have the appropriate amount of patience and understanding with the Public Works Department in this type of climate.

---

Winter Maintenance - Mailboxes

Please check your mailbox posts to ensure that they are solid and sturdy in the ground prior to winter. Once winter is upon us and the ground is frozen, it is almost impossible to make the needed repairs to sturdy your mailbox. This will ensure that when heavy snow is plowed off the road, your mailbox will not be pushed over.

---

Christmas Tree Collection

Place bare trees out with your trash inside bins or next to it on your regular collection day. Trees longer than 6 feet must be cut in half. The last pick up day will be February 1, 2019. Bags, tree covers, lights and ornaments must be removed from trees before placing them next to your garbage. Please keep the trees clear of snow banks.
Income Tax Reminder

Remember that each citizen should use GLendale, WIsCONSIn as their mailing address. This is important when filing income tax returns, vehicle registration forms, and applications for property fire insurance because the City receives a portion of the amount you pay as "shared taxes". By using GLendale, WISCONSIn you will also avoid paying a $20.00 per vehicle wheel tax to the City of Milwaukee.

The City of Glendale receives this shared tax payment ONLY if you indicate your residence as GLendale. A significant share of your City Government is paid by "shared taxes".

When filing your State Income Tax return, the Wisconsin School District Codes are as follows:

- Glendale-River Hills ........... 2184
- Maple Dale-Indian Hills....... 1897

Winter Parking Regulations

Glendale's winter parking regulations take effect on December 1, 2018. No parking is allowed on any street between the hours of 2:00 a.m. and 6:00 a.m. from December 1 through March 31. All 2018 parking permits will expire on December 1, 2018. If you have an emergency parking consideration, please call (414) 228-1753 with your request.

Missed Collection of Refuse, Recyclables or Yard Waste

If you suspect your garbage, recycling or yard waste collection has been missed, residents must contact Advanced Disposal directly at (262) 679-0860. This allows residents to explain, in detail with the service provider, what items are placed for collection and any possible reasons for non-collection.

Generous Donation Assists in Securing Life-Saving State of the Art Equipment

By: Lieutenant Dan Tyk
North Shore Fire/Rescue

Thanks to a generous donation from a local resident, North Shore Fire/Rescue will become one of the few fire and EMS providers in the greater-Milwaukee County area to have a mechanical CPR device; also known by its trade name, the LUCAS Device.

According to data from significant scientific research, and thanks to guideline changes driven by this research; outcomes for patients suffering from out-of-hospital cardiac arrest have greatly improved over the last 3-5 years. Nevertheless, cardiac arrest survival remains around 12% nationwide. Devices like the LUCAS have been proven to improve the chance of survival on patients whom the device is deployed. Recently, local news coverage from Janesville, Wisconsin, showed that the Janesville Fire Department was seeing survival rates as high as 45% following their deployment of the LUCAS device.

On the scene of a cardiac arrest, one of the greatest challenges is providing effective and continuous high-quality chest compressions; especially in cramped environments or while in a moving ambulance during transport to the hospital. The LUCAS, and other mechanical CPR devices like it, can be deployed quickly, allowing crew members to focus on other life-saving interventions, like starting an intravenous line to give medication, or providing respirations.

Beyond the increased survival, implementation of the device will also ensure that personnel can remain belted in the patient compartment of the ambulance; greatly reducing the risk of injury to emergency personnel providing life-saving care.

Our hope is to complete training and initial deployment of the first device by the beginning of 2019. Additionally, we continue to pursue grants and other opportunities for procurement of two additional devices, which would allow us to equip each of our front-line paramedic units with this state-of-the-art device.

We’re grateful for the continued support of the seven communities we serve. We look forward to sharing the positive outcomes achieved with the assistance of this device.

You can become the first step in the chain of survival by learning CPR.

To learn more about our CPR programs, and other services offered by North Shore Fire/Rescue, please visit our website, www.nsfire.org.

Dog & Cat License Fee

All dogs and cats over five months old are required to be licensed. A total of no more than three dogs or cats is allowed per residence.

Applications to renew dog and cat licenses are mailed by the Milwaukee Area Domestic Animal Control Commission (MADACC) in January.

Licenses can be obtained from MADACC’s website for a small online servicing fee, or at Glendale City Hall during regular business hours. Fees for Dog & Cat Licenses are as follows:

**Dog Licenses:**
- Male or Female - $24.00
- Spayed/Neutered - $12.00

**Cat Licenses:**
- Male or Female - $24.00
- Spayed/Neutered - $12.00

**Additional Late Fee Effective April 1:**
- Male or Female - $12.00
- Spayed/Neutered - $6.00

If obtained from MADACC, please make checks payable to “MADACC”. If obtained from the City of Glendale, please make checks payable to “City of Glendale”.

We're grateful for the continued support of the seven communities we serve. We look forward to sharing the positive outcomes achieved with the assistance of this device.

You can become the first step in the chain of survival by learning CPR.

REFUSE COLLECTION MAP
CITY OF GLENDALE, WI

*NOTE: RECYCLING COLLECTION OCCURS EVERY OTHER WEEK ON DAY INDICATED HERE. DURING "R" WEEK - REFER TO RECYCLING CALENDAR FOR "R" WEEK DATES

Glendale
It is the policy of the City of Glendale to assure equal opportunity to live in adequate housing facilities regardless of race, color, religion, ancestry, national origin, sex, handicap, sexual preference, marital status of persons maintaining a household, lawful source of income, place of birth, or age, and to that end, to prohibit discrimination in housing by any persons.

In connection with any real estate transaction which affects any housing accommodation on the open market, or in connection with any public sale, purchase, rental or lease of any accommodation, it is illegal within Glendale for a person, owner, financial institution, real estate broker or sales representative to:

1. Refuse to sell, purchase, rent or lease to a person because of race, color, religion, ancestry, national origin, handicap, marital status, sexual preference, sex, age, or place of birth.

2. To discriminate against a person in the terms, conditions or privileges of the sale, purchase, rental or lease of any housing accommodation.

A complete copy of the City’s fair housing ordinance may be obtained at City Hall or by calling (414) 228-1705.

Any person who has a complaint, or who may be aggrieved by any unlawful practice which is prohibited by the ordinance, may file a complaint with the Common Council within 30 days after the aggrieved person becomes aware of the alleged unlawful practice, but no more than 60 days after the alleged unlawful practice has occurred.

The City will attempt to resolve each complaint. If an acceptable resolution for both parties is not reached, the City will then forward the complaint and findings to appropriate state and federal agencies.

In addition to the local Code of Ordinances, an individual can pursue complaints under both state and federal fair housing laws. Under the Wisconsin Open Housing Law a person has one year after the last act of discrimination to file an administrative complaint with the State of Wisconsin Equal Rights Division (ERD) and one year to file a judicial complaint (lawsuit). If a person chooses to pursue a complaint through a federal administrative agency the complaint must be filed with the Department of Housing and Urban Development (HUD) within one year of the last act of discrimination under the 1968 Federal Fair Housing Act (FFHA). To file a federal court action under the FFHA one must file the complaint within two years of the act of discrimination. In addition, under the Civil Rights Act of 1866, which only applies to racial discrimination, a person has up to three years to file a judicial complaint.

Additional contact telephone numbers for complaints include the Metropolitan Milwaukee Fair Housing Council (414-278-1240), the United States Department of Housing and Urban Development (414-297-3214, Ext. 8300 or 8301), or the State of Wisconsin Equal Rights Division (414-227-4384).

Snow, Ice & Sidewalks Shoveling for Safety

All property owners are reminded that Glendale City Ordinance requires all public sidewalks and curb ramps to be kept clear of snow and ice. Sidewalks and curb ramps must be clear of all snow and ice within 24 hours from the time snow ceases to accumulate.

After each inclement weather event, the City will inspect all sidewalks and curb ramps to ensure they are safely passable. If a sidewalk or curb ramp is not safely passable, a notice may be posted or otherwise placed at the property indicating the need to comply with the snow and ice removal requirement within a specified time.

Upon re-inspection, any sidewalk or curb ramp not properly cleared will be cleared by the City with all costs and expenses, including administrative fees and/or ice and salt/sand costs, charged to the property owner or manager as a special assessment.

Residents are also asked to help keep area fire hydrants cleared of snow to allow easy access in case of a fire.
Elder Care

The holidays are a great opportunity to enjoy time with family and friends, celebrate life, be grateful, and reflect on what’s important. They are also a time to appreciate the gift of health. As you gather with family this holiday season, take some time to look for the following warning signs that an aging parent or loved one may need some extra help at home.

- **Weight Loss** - One of the most obvious signs of ill health, either physical or mental, is weight loss.
- **Changes in Balance and Mobility** - Pay close attention to the way your loved one moves and how they walk. A reluctance to walk, changes in gait or obvious pain during movement can be a sign of joint, muscle or neurological problems.
- **Emotional Well-Being** - Look for signs of depression and anxiety, including withdrawal from social activities, changes in sleep patterns, loss of interest in hobbies, and changes in basic home maintenance and personal hygiene.
- **Home Environment** - Take a walk-through of their home while you’re visiting to see if they are keeping their house to the usual standards. Be aware that sometimes the signs of trouble are subtle. You know your loved one and their habits best, so go with your gut if something seems off.

Organizations such as Milwaukee Country Department on Aging have a variety of resources available to help older adults live independently in their communities. [https://county.milwaukee.gov/EN/Department-on-Aging](https://county.milwaukee.gov/EN/Department-on-Aging)

The North Shore Health Department also provides services including blood pressure screening, flu shots for individuals who are home bound, and home safety assessments. These assessments include a home safety (including fire risk) assessment by a member of NSFR and a functional fall risk assessment by a registered nurse from NSHD. Call the Health Department at 414-371-2980 to schedule an in-home visit.

FLOODPLAIN MANAGEMENT

The City of Glendale has contracted with Clark Dietz, Inc. for Floodplain Administration. Any questions related to floodplain zone determinations, building permitted in the regulatory floodplain, and general floodplain zoning questions can be directed to:

Emily Basalla, P.E., CFM – (262) 842-2417
Brandon Flunker, P.E. – (414) 831-2864

As of October 2018, the MMSD has completed preliminary modeling and mapping of the floodplain from approximately Hampton Ave to Good Hope Road. Currently, they are undergoing a large surveying effort of nearly 100 properties. These surveyed elevations will help provide the most accurate depiction of the floodplain limits. It is anticipated that this survey effort will last several months.

Once the survey efforts are complete, preliminary maps will be prepared and made available for review by the City of Glendale staff. It is anticipated that these maps will be released in December 2018. At this time, the City will work alongside MMSD to submit paperwork to DNR and FEMA.

After their review, FEMA will approve the preliminary flood maps prior to release of an official map revision for regulatory purposes. We cannot estimate a timeframe for the release of the revised maps at this time. There will be several opportunities for public involvement and comment into the Map Revision process.

Please stay tuned for updates as they become available or use the information above to contact with any questions.

Street Lights

If you notice a street light that is not working, please call City Services at (414) 228-1710 or complete the form on the City’s website at www.glendale-wi.org. Please include the address location and whether the light is completely out or flickering.
