

Garbage and Recycle Container Enclosures

Purpose

To protect the health, safety and welfare of the residents of the City of Glendale, and to maintain the desirability, amenities and property values of the residential, commercial and industrial neighborhoods of the City. It shall be the responsibility of the owner, occupant or lessee of any premises to conform to the screening standards.

Submission Checklist

- Fence Application:** Complete a "Building Permit Application" Form. Project Description, Project Location, Owner Name/Address/City/State/Zip/ Phone, Contractor Name/Address/City/State/Zip/Phone, Estimated Cost, Applicant Signature, and Application Date information is required.
- Site Plan:** Preferred Scale: 1" = 20'-0". A Plat of Survey preferred, a scaled drawing might be acceptable. Illustrate existing structures, driveway location, walkways, garbage and recycle container locations, etc., and note setbacks from property boundaries.
- Photographs:** Location of garbage and recycle containers must be photographed.
- Fence Screen:** Preferred Scale: ¼" = 1'-0". Illustrate the fence plan, one (1) gate elevation and one (1) side elevation. Other information might be requested. See "Garbage and Recycle Container Guidelines - Fence Screen".
- Landscape Screen:** Preferred Scale: ¼" = 1'-0". List names and size of plants at planting on a landscape plan. Other information might be requested. Plant materials that do not live shall be replaced within six(6) months. See "Garbage and Recycle Container Guidelines - Landscape Screen".
- Other:** Provide a list of any future plans that you might have for your property at this time.

Only scaled drawings will be accepted.

Other information might be requested.

Look at the landscaping and architectural characteristics of the property and reflect them in the proposal.

Please refer to the "Garbage and Recycle Container Guidelines" brochures for dimensional guidelines.
