If you would like to be a voting member, contact Mayor Bryan Kennedy at bryan.kennedy@glendalewi.gov

Vision for the 2021 Celebration

This is the day our greater community celebrates together our nation's Independence Day.

Our celebration will have a feel of a block party, keeping to 4th of July traditions: a parade, festive music, fireworks, and neighborly friendship.

All while understanding the need for heightened safety and social distancing, and the need to overcome challenges and celebrate *together*, having adapted to a new normal.

Schedule

All meetings will be held virtually as zoom meetings until further notice.

Recurring on the third Tuesday of the month at 6:30 pm until 8:00 pm except the meetings in June and July, when we will meet more frequently.

4th of July Committee Guiding Principles

I will come to the meetings prepared, having acted on my responsibilities in advance.

When voting is required, Roberts Rules of Order will be used.

I will contribute to effective and productive meetings by:

Respecting the timed agenda, proposing changes if need to end on time.

Staying on the agenda topic, utilizing a 'parking lot' for side topics.

Being present and focused, avoiding distractions, and sidebar conversations/multi-tasking.

Allowing others to contribute, speaking one at a time recognized by the Chair when needed.

Ensuring actions are clear at end of discussion, Chair can call for a decision when needed.

Identifying action items: who, what, when, where.

Being open to ideas and attempt to understand other perspectives, especially when different from one's own.

Assume, and maintain good intentions. We are all volunteers.

Keeping it fun, it is a party we're planning after all!
